[The Gift of Violence](#) Matt Thornton,Peter Boghossian,2023-04-11

In today's modern world we are largely isolated from the kind of savagery our ancestors faced on a daily basis. Although violence was as natural to our evolutionary development as sex and food, it has become foreign to most of us at once demonized and glamorized but almost always deeply misunderstood. Our hard-earned and hard-wired instincts, our evolved and trained ability to survive and overcome violent encounters have been compromised. Yet, as even a cursory look at news headlines or a police blotter will reveal, the threat of violent crime is ever present, and those we've entrusted to protect us cannot always be relied upon. *The Gift of Violence* tells the story of this vulnerability and provides the average person with all the knowledge they need to reduce the likelihood of becoming a victim of violence and to increase their chances of surviving a violent encounter. Based both on the author's decades of experience teaching everyday people how to defend themselves and on a rational approach to the scientific data, *The Gift of Violence* offers clear, easy-to-remember lessons for people of all ages and abilities. It is designed to empower those who've been affected by violence or are concerned that they or their loved ones could be. In short, it was written to help good people become more dangerous to bad people. Every reader will be armed with the necessary knowledge to harness the power of violence for him or herself and, in the process, to be not just smarter and stronger but also safer.
