Chandima Padmaperuma,2023-03-16 This book examines partnerships between commercial banks and microfinance
institutions MFIs It demonstrates that when set up properly these partnerships have the potential to develop and enhance
the financial inclusion agenda and further support sustainable development MFIs provide access to finance predominantly for
those who are poor but economically active and therefore their expansion is imperative for inclusive economic development
However MFIs are faced with enormous challenges The book discusses how partnering with a commercial bank can meet
these challenges and the process of interaction contributing to the enhancement of institutional robustness of MFIs Through
two distinct case studies in Cambodia and Australia the book discusses the motivations objectives and operational dynamics
of a partnership as well as the challenges success factors and potential benefits from the increase in outreach and
sustainability to the transference of knowledge and potential for capacity building Similarly the partnering banks benefit in
line with the intended objectives commercial or social besides help embedding social consciousness and improving staff
engagement Concluding with elucidating the characteristics of a partnership model that can succeed across different global
contexts the book will interest a range of researchers and students across development economics banking finance and
sustainable development **United States Armed Forces Institute Catalog** ,1955 **Modern Advanced Accounting**
