An Uncommon Bond:

An Uncommon Bond Jeff Brown, 2015-05 In this higher consciousness love story author Jeff Brown introduces the concept of uncommon bonds through the profound connection between Sarah and Lowen two soul mates who have found their way to one another yet again In this remarkably engaging story we walk beside the lovers as they touch the divine and then struggle to ground their love in daily life From the heights of sacred sexuality to the depths of human foible they ultimately have to choose die to this love or shrink back to mediocrity open to the next portal of possibility or postpone it until the next lifetime Shaped and reshaped in love s cosmic kiln Sarah and Lowen become a symbol of our own longing for wholeness in the presence of another This book is not a regular love story It is not like anything written before It is more of a sacred text one that people will turn to for years to contemplate discuss and understand the ecstasies and challenges of love In a world that yearns for deep soul connection *An Uncommon Bond* provides a blueprint of possibility for all of us reminding us of the luminous nature of great love and showing us the opportunities for expansion that live at its heart The path of the beloved is no easy walk but the fruits of our labor are ripe with blessings

An Uncommon Bond Louise Cabral, 2005-10-18 Is there balance in the world a recompense in which the victimizer becomes the victim and visa versa Tivoli and Tamara Nolan identical twins offer an answer to this question *An Uncommon Bond* has allusions to the connection between the psychic world and the everyday world as we know it But it is full of action of the glitz and glamour of Hollywood and of the romance of young love betrayed It spans California Japan Rome Paris London and other fascinating places while the intensity of the story builds making it impossible not to turn the pages It is only in the world beyond death that Tivoli comes to confront the lives she has destroyed More unforgivable than any other is the damage done to her twin the other part of her It is her obligation then to restore the self confidence of which she has robbed Tamara Her means of doing this employs the machinations of the psychic world and the workings of reincarnation to bring the twins to karmic harmony

Boarding Out David Faflik, 2012-09-30 Driven by intensive industrialization and urbanization the nineteenth century saw radical transformations in every facet of life in the United States Immigrants and rural Americans poured into the nation's cities often ahead of or without their families As city dwellers adapted to the new metropolis boarding out became for a few short decades the most popular form of urban domesticity in the United States While boarding's historical importance is indisputable its role in the period's literary production has been overlooked In Boarding Out David Faflik argues that the urban American boardinghouse exerted a decisive shaping power on the period's writers and writings Addressing the works of canonical authors such as Henry David Thoreau Nathaniel Hawthorne and Oliver Wendell Holmes as well as neglected popular writers of the era such as Fanny Fern and George Lippard Faflik demonstrates that boarding was at once psychically artistically and materially central in the making of our shared American culture *Healing Maddie Brees* Rebecca Brewster Stevenson, 2016-09-13 A debut novel from a promising new voice in fiction Healing Maddie Brees is the story of a marriage and the memories that pit themselves against it of the uncanny power of the body in both disease and desire and of whether true healing ever really happens Maddie Brees has been given bad news She is seriously ill But she also has an old friend an
