

Analyzing an Argument

PERFORMANCE TASK

As you read the passage below, consider how the author, Peter Funt, uses:

- evidence, such as facts or examples, to support claims
- reasoning to develop ideas and to connect claims and evidence
- stylistic or persuasive elements, such as word choice or appeals to emotion, to add power to the ideas expressed

"DOES ANYONE COLLECT OLD EMAILS?" BY PETER FUNT

- 1 For more than a century, baseball fans in Chicago have saved ticket stubs to preserve memories, both fond and frustrating, of their beloved Cubbies.
- 2 Some Cubs' tickets — like one from the 1932 World Series in which Babe Ruth is said to have "called his shot" before homering for the Yankees — are worth thousands. But most, sitting in drawers or pasted into scrapbooks, are valuable simply as physical links to the past.
- 3 That's over. This season the Cubs have joined more than a dozen other Major League teams in eliminating paper tickets in favor of digital versions, downloaded to apps and displayed on phones.
- 4 And so ticket stubs join theater playbills, picture postcards, handwritten letters and framed photos as fading forms of preserving our memories. It raises the question, Is our view of the past, of our own personal history, somehow different without hard copies?
- 5 When my mother died a few years ago, we sifted through albums and shoe boxes in which she had lovingly archived her children's lives. Handwritten report cards from grade school. News clippings of Little League games. Postcards from summer camp. And so many photos: birthdays, graduations, weddings, trips to wonderful places.
- 6 Mom was not a hoarder. She was typical of a generation that found it pleasing to keep memories alive by retaining hard copies. Not that she had much choice: She never owned a computer or cellphone.
- 7 After my father's death, in 1999, I saved a folder of handwritten condolence letters from his friends and colleagues. Rereading them once or twice a year, I am transported back to times I miss so much. Of course, I received many emails about Dad as well — but I wouldn't begin to know how or where to find them. Besides, personal messages are so much more meaningful when presented in the hand of the sender.
- 8 My two kids, now in their 20s, have mostly digital keepsakes. Increasingly they rely on Facebook and the cloud to store memories. Their letters from college, sent by email, are long gone. Many photos, never printed, have disappeared. I worry that for them, personal history already doesn't reach back as far as it should.
