Pretty, Nasty, Lovely Rosalind Noonan, 2017-08-29 Sisterhood has a price Pledging to Theta Pi at Merriwether University seemed to offer Emma Danelski a passport to friendship fun and popularity But the excitement of pledge training quickly fades as does the warmth of her so called sisters What's left is a stifling society filled with petty rules bullying and manipulation Most haunting are the choices Emma makes in the wake of another sorority sister's suicide It doesn't matter that no one else needs to know what Emma did or how vastly different life at Theta House is from the glossy image it projects Emma knows And now with her loyalties tested she must decide which secrets are worth keeping and how far she'll go to protect them and herself Praise for Rosalind Noonan's *Domestic Secrets* This suspenseful read is Noonan at her best Fans will be eager to get their hands on her latest and it doesn't disappoint Booklist Noonan delivers another page turning thriller whose deeply flawed characters draw you into a web of family secrets Kirkus Reviews Recommended for readers wanting stories of dysfunctional families scandal and violence that involve entire communities Library Journal
