and modernity Intended for scholars students and educators it serves as a resource for research coursework seminars and comparative studies Combining accessible style with rigorous content the volume fosters critical reflection on how cultural practices creative expression and social insight illuminate the human experience **Better Humans** Janeane Bernstein Ed.D.,2023-08-15 The world was turned upside down March 2020 by a virus no one expected to turn into a global pandemic While millions experienced loss and disruption of life the pandemic put lives on pause making the nation turn inward to question the life Americans were living pre pandemic and examine who and what really mattered in this time of financial emotional and interpersonal upheaval Depression anxiety violence substance abuse and mental health illnesses soared in what became a mental health pandemic Children lost parents millions lost jobs and thousands of teachers and health and wellness professionals abandoned their fields This has been a tremendous time of reflection on how to be better to ourselves and to humanity as a whole What can we learn from this global disruption and how can we become better humans To start we can't look away anymore The suffering is vast and the stakes are high The voices of the pandemic have insightful lessons to teach each and every one of us It's time to silence our distractions listen and create transformative sustainable strategies that prioritize the health and wellbeing of humanity **Juvenile Delinquency** William E. Thompson,Jack E. Bynum,Mica L. Thompson,2024-08-06 Juvenile Delinquency A Sociological Approach Twelfth Edition discusses delinquency as it relates to and emerges from youths families neighborhoods schools peer groups social classes and overall cultural and social environments With a student friendly approach the authors explore the different causes of juvenile delinquency examine its behaviors and consequences in social contexts explain the role of the police and court system and propose strategies for treatment and prevention Learning outcomes offer students a roadmap for major concepts and key ideas while end of chapter outcomes assessments stimulate critical thinking and discussion In each chapter Global Focus on Delinquency boxes look at delinquency in different societies cultures and subcultures and Controversial Issue boxes address critical questions New to the Twelfth Edition Dedicated section in each chapter covers intersectionality of social factors such as race sex gender and sexual orientation to examine how they influence adolescent marginality New streamlined chapter combining topics on youth subcultures and gangs reflects the latest developments in the field while streamlining the book into a 15 chapter format New and updated discussion of latest research on the possible connection between video gaming and violence cyberbullying and school shootings which have become prevalent in American culture Expanded coverage of the influence of media is included in all chapters to highlight how our lives are influenced by mass media and especially social media **Chronicles of Care: A Design History of the COVID-19 Virus** Paul A. Rodgers,Fernando Galdon,Craig Bremner,2024-04-16 The Covid 19 crisis and the designed interventions that the authors have catalogued in this book prove definitively that design does care The authors documented this as it evolved every day from the 1st January 2020 to 31st May 2020 inclusive Then they looked at all of this care and caring from the point of view of design and by the sheer volume of design interventions they have

documented illustrate that design is good in a crisis What the Covid 19 pandemic illustrated is that for the first time in modern history capital was totally irrelevant Money could not save your life Only design could Rapidly designed masks shelters hospitals instructional posters infographics dashboards respirators sanitisers virtual and local communities emerged to save us From January 2020 design became king The Covid 19 global pandemic presented an ontological reality design is more than margins or profit In fact design became extremely valuable when it stopped concentrating on those things and started to care about peoples lives This brief episode in history is still repositioning the status of design and reconfiguring its signifier from consumption to care The contents of this book cover the outbreak lockdown and the beginning of the reopening in the UK In between the book functions as a history of pandemic crisis design interventions As such it is a research in the moment project where we have illustrated our thoughts and insights in tables charts and diagrams We have accepted all design interventions as valid and given them the same role and status by presenting each of them in a standard format No curation No selection No position The task of critical analysis must follow perhaps by us certainly by others
