

THE COMPLETE SHORT STORIES OF AMBROSE BIERCE

Ambrose Bierce

Ambrose Bierces Short Stories English Edition

Ambrose Bierce

Ambrose Bierces Short Stories English Edition:

The Short Stories of Ambrose Bierce Stuart C. Woodruff, 2010-11-23 One of the most interesting figures to emerge at the turn of the twentieth century was Ambrose Bierce whose acerbic columns in the San Francisco Examiner spread his fame as America's most bitter cynic and misanthrope and whose disappearance into Mexico surrounded his name with an aura of mystery Although best known during his lifetime for his journalism and always critical of his own writing the magnificent intention mocked by the actual achievement Bierce's fiction endures especially his short stories about the Civil War Originally published in the 1890s and rediscovered in the 1920s the Civil War stories are filled with unsparing descriptions of death and suffering disillusionment and fatalism They also show a concern for form and craftsmanship a controlled irony and an economy of detail that are distinctly modern In this pioneering study of Bierce's stories Stuart Woodruff examines the best and worst of Bierce's fiction with clarity and excellent critical sense and he traces the causes of Bierce's success and failure as a writer analyzing his inability to reconcile the extremes of temperament and belief that marked his life and give his stories their characteristic form Among the pieces discussed *An Occurrence at Owl Creek Bridge* *The Mockingbird* *One of the Missing* *Chickamauga* *Ha-ta-the-Shepherd* *What I Saw at Shiloh* and excerpts from *The Devil's Dictionary* and *Tales of Soldiers and Civilians* *The Civil War Short Stories of Ambrose Bierce* Ambrose Bierce, 1988-01-01 In *The Devil's Dictionary* Ambrose Bierce defined war as a by-product of the arts of peace A Civil War veteran Bierce had absolutely no illusions about courage honor and glory on the battlefield These stories form one of the great antiwar statements in American literature Included here are the classic *An Occurrence at Owl Creek Bridge* *Chickamauga* *The Mockingbird* *The Coup de Grace* *Parker Anderson* *Philosopher* and other stories celebrated for their intensity startling insight and mastery of form **The Complete Short Stories of Ambrose Bierce** Ambrose Bierce, 1984-01-01 Treasury of ninety-three short works includes horror stories realistic narratives of war and tall tales of the old West **The Complete Works of Ambrose Bierce. Illustrated** Ambrose Bierce, 2021-06-16 Ambrose Bierce is considered a modern master of the short story A soldier with the Union Army during the American Civil War 1861-1865 his experiences as a soldier influenced his writing While no anthology would be complete without *An Occurrence at Owl Creek Bridge* this collection of Bierce's stories includes ghost stories tales of war humorous episodes stinging aphorisms and political articles *The Novellas* *The Short Story Collections* *The Poetry Collection* *The Non-Fiction* Ambrose Bierce A Biography by Carey McWilliams *Encyclopedia of the American Short Story* Abby H. P. Werlock, 2015-04-22 Two-volume set that presents an introduction to American short fiction from the 19th century to the present *Maupassant and the American Short Story* Richard Fusco, 2010-11-01 Maupassant and the American Short Story isolates and develops more fully than any previous study the impact of Maupassant's work on the writing of Ambrose Bierce O. Henry Kate Chopin and Henry James It introduces a new perspective to assess their canons reviving the importance of many often ignored stories and in the cases of Maupassant and O. Henry reasserting the necessity of studying such writers

to understand the history of the genre An important moment in the history of the short story occurred with the American misreading of Maupassant's use of story structure At the turn of the century writers such as Bierce and O Henry seized upon the surprise inversion form because Maupassant's translators promoted him as championing it Only a few writers such as James and Chopin both of whom read Maupassant in French appreciated his deft handling of form more fully Their vision and the impact of Maupassant upon their fiction was largely ignored by later generations of writers who preferred to associate Maupassant and O Henry with the trick ending story This book details the origins and consequences of this misperception The book further contributes to the study of the short story genre Through an adaptation of Aristotelian concepts Richard Fusco proposes an original approach to short story structure defining and developing seven categories of textual formulas linear ironic coda surprise inversion loop descending helical contrast and sinusoidal As a practitioner of all these forms Maupassant established his mastery of the genre By studying his use of form the book asserts a major reason for his pivotal importance in the historical development of the short story

Journal of the Short Story in English, 1997 **Aspects of the Modern Short Story: English and American** Alfred Charles Ward, 1924 The Short Stories of Ambrose Bierce. A Study in Polarity. [With a Bibliography.] Stuart C. WOODRUFF, 1964 *The American Short Story Handbook* James Nagel, 2015-02-23

This is a concise yet comprehensive treatment of the American short story that includes an historical overview of the topic as well as discussion of notable American authors and individual stories from Benjamin Franklin's The Speech of Miss Polly Baker in 1747 to The Joy Luck Club Includes a selection of writers chosen not only for their contributions of individual stories but for bodies of work that advanced the boundaries of short fiction including Washington Irving Sarah Orne Jewett Stephen Crane Jamaica Kincaid and Tim O'Brien Addresses the ways in which American oral storytelling and other narrative traditions were integral to the formation and flourishing of the short story genre Written in accessible and engaging prose for students at all levels by a renowned literary scholar to illuminate an important genre that has received short shrift in scholarly literature of the last century Includes a glossary defining the most common terms used in literary history and in critical discussions of fiction and a bibliography of works for further study
