Religious Education in the African American Tradition Kenneth H. Hill,2012-11 Schweitzer s goal in this book is to explore what postmodernity actually means for theology and how theology and the church may respond to its challenges He focuses on the life cycle as it is changing with the advent of postmodernity looking sequentially at segments of the life cycle using different lenses modernity postmodernity and responses from church and theology Schweitzer concludes with a theology of the life cycle

Singing through Struggle Carolynne Hitter Brown,2025-04-21 Singing through Struggle Music Worship and Identity in Postemancipation Black Churches offers an innovative look at the vital role music and worship played in nurturing Black citizenship and identity during the Reconstruction era In such border cities as Baltimore Washington DC and Philadelphia the church was where newly emancipated migrants and members of the free Black community merged identities priorities and experiences through a process of cultural negotiation Music as a sign of Black achievement and as a genuine expression of identity produced both bastions and battlegrounds in the fight for democracy The music of Black churchgoers singing together in sanctuaries as well as in homes schools and outdoors expressed resistance to uplift ideologies within and to white supremacy without Even while using hymns and music of the European sacred tradition members infused the songs they chose with new meanings relevant to their evolving concerns and situations Drawing on fresh archival sources Singing through Struggle sheds light on the unexplored gap in the study of African American religious music between slavery and the Great Migration demonstrating the continuous stream of Black creativity and dignity that existed in religious music making between gospel music and the spirituals This close up investigation of three Black congregations draws out previously forgotten stories of men and women who understood church music as key to shaping a collective purpose and civic identity Their stories demonstrate how faith music and ritual gave the Black community means for exploring a deeply complex and ever changing reality

Lessons In Christian Singleness Jr., Ernest Jefferson, **The African American Church Community in Rochester, New York, 1900-1940** Ingrid Overacker,1998 This work examines the connections between the faith foundations of members of the African American church community in Rochester New York and the work the community engaged in to nurture and protect its members during the first four decades of the twentieth century The book concentrates on four local churches Memorial AME Zion Mt Olivet Baptist Trinity Presbyterian and St Simon s Episcopal and explains how each addressed the human service educational economic and political needs of African Americans in Rochester the book highlights the role of women in the church community and relies heavily on

interviews with members of the respective churches This analysis of Rochester s church community challenges the perception of the African American church as accommodationist and other worldly during this critical time in the formation of the African American community both locally and nationally
