America Turning A Nation To God:

America ,2015 Dr Tony Evans not only examines the root of our nation s social economic and political unrest but presents a plan for reclaiming freedom morality and strength We hold within the collective body of Christ not only the power but also the capacity to put our country back on the path of ascendancy This straightforward teaching when embraced by believers in our nation will usher in the greatest revival in American history *The Eviltion of America* Leo J. Battenhausen MA MSW LCSW LCADC,2018-03-06 Today America s most dangerous enemies are not the terrorists or those wanting to kill us They are the unseen evil forces that have been slowly depleting us of morality decency and value in God Evil has taken a seat not only in our movies media music and schools but in our White House The Eviltion of America has been eroding what our Forefathers fought and suffered to create and is turning the United States into a country void of everything Godly we once stood proudly on as the greatest nation in the world Author Leo J Battenhausen exposes the true reality of the battle between good and evil going on in America today for our souls and how politics and the media are working together with evil to gather them up in droves The Eviltion of America is a must read for every citizen of the United States who asks the question What happened Battenhausen is a licensed psychotherapist social commentator and syndicated radio guest as well as the author of four other books that speak to the human condition in America today **Cry Out to the Lord** Intimate Life Ministires,2016-03-01 Sometimes it s for you Sometimes it s for your child a family member or friend Sometimes it s for our broken world We ve all been there We ve cried out to the Lord Join noted authors like Ronnie Floyd Mark Williams Dennis Gallaher Dave Butts Doug Beacham Byron Paulus and Bill Elliff Frances Chan Kay Horner Mark Batterson Josh McDowell Ed Stetzer Anthony Evans Nick Hall Alton Garrison Oscar Thompson Dallas Willard and Sammy Rodriguez as they provide twenty unique studies in how to develop a Spirit empowered faith which will help you to Learn to look up when everything around you is falling apart Call out to the Lord in humility and brokennessYield fully to the working and empowerment of His Spirit rather than rely on your own power for spiritual transformationEnter into bold and believing prayer for yourself loved ones and the world around youMore deeply embrace the possibilities and calling of co laboring with Jesus to live out his mission This resource will help you cry out to the Lord and reset your walk with God , **Healing America Calling Hearts Back To God** Jeff Hovsepian,2025-04-25 America was founded and grew upon faith in God and was blessed for it with great abundance and influence in the world But America has since turned away from God And God in response has given America over to life outside his blessings evidenced by the turmoil we see in culture today discord and division anger and hostility wickedness depravity and sin of all kind It is a pattern that played out many times in Biblical history when the people of Israel forgot God and his goodness toward them turned away from him and worshipped idols And God after repeated attempts to call them back removed his blessings and gave them over into the hands of their enemies Yet by way of his great faithfulness love and mercy God offers a way back which is the call of this book In Healing America Jeff discusses the

foundations of faith in America its turn away from God the consequences of turning away from God the influences of Satan and his dark forces and offers three specific things we can do today to heal America and return to God s blessings When American Turned to God Richard E. Stevens,2012-03 p One Nation under God the Factual History of America s Religious Heritage is a study of our Founding Fathers their beliefs their goals and their history It uses the direct words of the Founding Fathers from personal letters personal Bible notes and many more substantiated sources The book follows the spiritual direction of our country from the time the Puritans landed in the new world up to today Our loss of faith in God and how that loss has impacted our society is profiled It includes quotes from some of the people that had the most influence on the growth of our once great nation and some of the people and events that have caused our nation to decline economically socially and morally One Nation under God includes many landmark court cases that have affected our way of life in the way the American people can worship the Lord in public and in private The book is a map of our rise to greatness and our decline to the potential oblivion of this once light on the hill for all the world to follow It also is a guide on how to reclaim our greatness by turning back to God for His forgiveness and guidance The farther away we move from God the worse our society becomes I started writing One Nation under God setting out to prove to the country possibly the world that we are a Christian nation One Nation Under God helps us remember who we are and what we did and thus helps preserve the American spirit David Barton Historian Author TV Producer founder of Wallbuilders **The Harbinger II** Jonathan Cahn,2022 COMING SOON Trade Paper Version of NEW YORK TIMES and USA TODAY Best Selling Book Following the 2020 launch of The Harbinger II this blockbuster is still at 1 on Publisher s Weekly with the original The Harbinger at 3 and The Book of Mysteries at 9 March 2021 From the author that brought you 6 New York Times best selling books includin **Stand Up, America!-A Grassroots Bible Study to Restore Righteousness to the Land** Carole J Keller,2006-03

Antiquity and Social Reform Dawn Hutchinson,2010-06-09 Although religious innovation in America has historically been the norm rather than the exception mainstream Americans have often viewed new religious movements with suspicion and occasionally with outright alarm The question motivating many studies of new religious movements has been why would someone join these religions In Antiquity and Social Reform Dawn Hutchinson offers at least one answer to this often

repeated query She argues that followers of new religious movements in the 1960s 1980s specifically the Unification Church Feminist Wicca and the Nation of Yahweh considered these religions to be legitimate because they offered members a personal religious experience a connection to an ancient tradition and agency in improving their world Utilizing an historical approach Antiquity and Social Reform considers the conversion narratives of adherents and primary literature of the formative years of these movements which demonstrates that the religious experiences of the adherents and a resonance with the goals of these religions propelled members into social action

The Cloud by Day and Fire by Night Mingo P. Henley, 2016-04-29 I would like for you to take a 365 day journey with me as we open ourselves up to what the Holy Spirit has to say to us concerning our everyday lives The Holy Spirit has a word for us but are we willing to follow daily instruction from the Lord The perfect will of God does us no good if we refuse to follow the Cloud by Day and the Fire by Night God provided the Cloud but we must choose to follow it

Awake America Robert White, 2008-06 America is at war The war I m referring to is a spiritual war and too many in God s army have gone AWOL The book *Awake America* is a shout to the people who treasure our freedoms and a shout to the Body of Christ to wake up and take our freedoms back before it is too late

Christian America and the Kingdom of God Richard T. Hughes, 2010-10-01 The idea of the United States as a Christian nation is a powerful seductive and potentially destructive theme in American life culture and politics And yet as Richard T Hughes reveals in this powerful book the biblical vision of the kingdom of God stands at odds with the values and actions of an American empire that sanctions war instead of peace promotes dominance and oppression instead of reconciliation and exalts wealth and power instead of justice for the poor and needy With extensive analysis of both Christian scripture and American history from the founding of the republic to the present day *Christian America and the Kingdom of God* illuminates the devastating irony of a Christian America that so often behaves in unchristian ways
