

American Literature FINAL EXAM STUDY GUIDE:

I. Transcendentalism and the Brahmins' Poetry (1836-1860)

- What are the FOUR BASIC IDEALS of Transcendentalism?

- **Human senses** are limited; they convey knowledge of the physical world, but deeper truths can be grasped only through intuition.
- **The observation** of nature illuminates the nature of human beings.
- God, nature, and humanity are united in a shared universal soul, or "**Over-Soul**."
- The **individual** was at the center of the universe, more powerful than any institution (whether political or religious). **NON- CONFORMITY**

- Who were -as a collective- the Boston Brahmins?

Boston Brahmins" refers to a class of wealthy, educated, elite members of Boston society in the nineteenth century. Oliver Wendell Holmes coined the term in a novel in 1861, calling Boston's elite families "The Brahmin Caste of New England." The Boston Brahmins have long held the interest of casual and professional historians because of their unique place in nineteenth-century American culture. They were mostly the descendants of Puritans, having made their fortunes as American merchants, and they could not be described as egalitarian.

- Why is Waldo Emerson's *Nature* (1836) significant?

Because it was a "Manifesto" of Transcendentalists.

- Who was Walt Whitman? Name of most recognized poem.

Poet, journalist and essayist, best known for *LEAVES OF GRASS* (1855), which was occasionally banned, and the poems 'I Sing the Body Electric' and 'Song of Myself.' Whitman incorporated natural speech rhythms into poetry. He disregarded metre, but the overall effect has a melodic character. Harold Bloom has stated in *The Western Canon* (1994) that "no Western poet, in the past century and half, not even Browning, or Leopardi or Baudelaire, overshadows Walt Whitman."

- Who was Oliver Wendell Holmes? Name of most recognized poem.

Born in Massachusetts, became a well-known physician, teacher, lecturer and Harvard graduate. As an author, contributed to the advancement of medicine and literature. He is also known for writing the famous poem "Old Ironsides".

- Who was Emily Dickinson? Name of most recognized poem.

Born in Amherst, Massachusetts, she was the second child of Edward and Emily Norcross Dickinson. Her family was prominent in Amherst. Her father was a lawyer, and her grandfather was one of the founders of Amherst College. Emily Dickinson contributed a great deal to the world of literature, far beyond what her early editors considered unconventional lines. With her contemporary, Walt Whitman, she helped to usher in a new age of poetry, with her revolutionary way with words. Her isolation, in that "room of her own" gave her more than just time to write and reflect. Dickinson had a unique perspective on life, death, love, nature, and friendship. She didn't need titles. Her lines spoke volumes.
