American Government And Politics Today Chapter 2

Schmidt,James Perkins,Shelley

American Government And Politics Today Chapter 2:

The Politics Today Companion to American Government Alan R. Grant, Edward Ashbee, 2002 US politics today not only introduces the defining features of contemporary American politics but also considers the strengths and weaknesses of a system that is now under serious strain. The book is ideal for students, teaching staff, and the general reader. It outlines the ways in which the Constitution shapes the politics of today, surveys the role of the presidency, Congress, and the federal courts, and examines processes of political participation through elections, organized interests, and parties. It pays particular attention to Barack Obama and Donald Trump's turbulent years in office and the ways in which recent decades have reshaped the US political landscape. US politics today also places the US in a comparative context and considers key theoretical perspectives. In sum, the book not only provides an indispensable introduction to contemporary American politics but establishes a basis for informed commentary and further study. **American Government** Cal Jillson, 2013-01-04

History matters. America's past is present in all aspects of the contemporary political system. Cal Jillson uses political development and the dynamics of change as a tool to help students understand how politics works now and how institutions, participation, and policies have evolved over time to produce this political environment. Going one step further, Jillson helps students think critically about how American democracy might evolve further, focusing in every chapter on reform and further change. These revisions make the Seventh Edition better than ever. The latest details on all aspects of American politics, including the 2012 elections, keep students current. Coverage of Obama's full first term and heightened polarization in Congress help students see the importance of institutional development. A renewed emphasis throughout on the importance of race, ethnicity, and gender in the development of American politics helps students understand the full picture of political participation. In a streamlined presentation, Jillson delivers a concise and engaging narrative to help students understand the complexities and importance of American politics. Along the way, several pedagogical features foster critical thinking and analysis. New Struggling Towards Democracy discussion questions to provoke both critical thinking and class discussion on the most relevant issues. The Constitution Today chapter opening vignettes illustrate the importance of conflicting views on constitutional principles. Key terms defined in the margins on the page where they appear help students study important concepts. Focus questions at the beginning of every chapter highlight the central learning objectives for students to look for, and marginal notes throughout the chapter indicate the relevant discussions for addressing these questions. Colorful figures and charts help students visualize important information. Let's Compare boxes analyze how functions of government and political participation work in other countries. Pro-Con boxes bring to life a central debate in each chapter, from questions over campaign finance, bias in the media, and the balance between the president and Congress in war, making to judicial activism and restraint, gay marriage, and equitable taxes. Timelines in every chapter give students an at-a-glance reference to important stages in historical development. End-of-chapter summaries, suggested readings, and web resources help students

master the material and guide them to further critical investigation of important concepts and topics

American Government and Politics Today, 2007 **American Government and Politics Today** Steffen W. Schmidt, Mack C. Shelley, Barbara A. Bardes, 2000 This new condensed version of the author's best selling AMERICAN GOVERNMENT AND POLITICS TODAY which is popular across the country for its balanced unbiased and up to date coverage of constitutional governmental political social and economic structures and processes and for the way it encourages students to become involved in the political process covers the fundamentals offering less policy and analysis coverage and fewer features to distract readers from the basics of American Government *American Government/Politics Today 1999-2000* Schmidt, James Perkins, Shelley, 1998-12-16 *US Politics Today* Edward Ashbee, Nigel Ashford, 1999 This volume offers a broad introduction to US government As well as looking at institutions such as the Presidency Congress and the Supreme Court the book looks at the social and cultural context within which political issues are discussed It also surveys controversies and arguments Should for example the institutions created in the US constitution be seen as too weak or too strong Can the US still be seen as a federal nation or are all significant decisions taken in Washington DC Is the American law making process in the grip of lobbyists The book also includes ways of taking the subject further by listing follow up reading identifying useful Internet sites and providing a guide to relevant cinema films **American Government and Politics Today** Mack C. Shelley, Barbara A. Bardes, Steffen W. Schmidt, 1994 *American Government and Politics Today, 2005-2006* James Perkins, 2004-12 Presents a comprehensive textbook for undergraduate students on the constitutional governmental political social and economic structures and processes *American Government and Politics Today* Bardes, Barbara A. Bardes, Mack C. Shelley, Steffen W. Schmidt, 2001-06-15 Booknews This textbook on American government and politics seeks to encourage direct participation by citizens in the political process Each chapter includes a discussion question on a controversial issue and an example of how the student can become actively involved in American politics A sampling of topics includes the Constitution federalism civil rights political parties elections Congress the Presidency bureaucracy the Judiciary domestic and economic policy and foreign policy Coverage extends to the results of the November 2000 presidential elections with an analysis of its implications for the future **Political Power in America** Anthony R. DiMaggio, 2019-12-01 Analyzing major political institutions such as Congress the courts the presidency and the media this book chronicles how the interests of affluent Americans particularly business professional and corporate interests dominate over those of average citizens Anthony R DiMaggio examines American political behavior as it relates to lobbying citizen activism media consumption and voting to demonstrate how the public is often misinformed and manipulated regarding major political and economic matters However record public distrust of the government and the increasing popularity of mass protests suggest that most Americans are deeply unhappy with the political status quo and many are willing to fight for change Political Power in America details this interplay between a political system dominated by the affluent few and the rise of mass political distrust

and protest It offers information and tools needed to better understand the democratic deficit in American politics while providing opportunities for discussing what we might do to address the mounting crisis of declining democracy
