American Legion Motorcycle Riders:

The Riders Come Out at Night Ali Winston, Darwin BondGraham, 2024-03-12 The Riders Come Out at Night is the culmination of more than twenty one years of fearless reporting Ali Winston and Darwin BondGraham shine a light on the The Riders a squad of sadistic Oakland cops whose disregard for their oath to protect and serve is on full tragic and infuriating display The authors trace the history of Oakland since its inception through the lens of the city s police department from the Palmer Raids McCarthyism and civil rights struggle the Black Panthers and the crack era up to Oakland s present day revival This is the story of one police department and one city but it s also a history of American policing and a look at where it s headed The book relays the collective experiences of Oaklanders from a wide eyed rookie cop realizing the depth of his superiors depravity to two attorneys hell bent on seeing reform implemented despite the obstacles thrown in their way by a rotating cast of obstinate police chiefs and politicians to the victims of OPD brutality who truly illustrate the consequences of an unchecked police department one that chose to prey upon instead of protect citizens Back cover
