Pereira,José A. M. Victor,Waldo Ibarra,2024-11-20 This book features a selection of articles from the 2024 International Conference on Management Tourism and Technologies ICMTT 24 held at the Universidad Nacional de San Antonio Abad del Cusco in Cusco Peru between May 9 and 11 2024 ICMTT is an international forum for researchers and practitioners to present and discuss the most recent innovations trends results experiences and concerns in the several perspectives of Management Tourism and Technologies The main and distinctive areas covered are Area A Managements Area B Tourism Area C Marketing strategies in Management Tourism and Technology and Area D Technology The primary market of this book is postgraduates and researchers in Management Tourism and Technologies fields And the secondary market is undergraduates and professionals as well in management tourism and technologies fields *Law and Religious Cultural Heritage in Europe* Theodosios Tsvolas,2014-07-22 This book examines in detail both

historical and current legal concepts of religious cultural heritage within the context of the European continent The latter group is primarily based on the variety of sacred cultural elements emanating from the different religious traditions of the peoples of Europe which are deemed worthy of protection and preservation due to their outstanding value in terms of their social cultural and religious significance In view of this the study provides evidence of the European States active involvement with their sacred cultural treasures on the basis of the political and legal foundations of neutrality and pluralism Furthermore the book analyzes all relevant international legislative instruments i e the plethora of EU EC and UNESCO norms as well as all major European legislative patterns in light of their significance for the aforementioned aspects of pluralism and neutrality The interdisciplinary references listed at the end of each chapter provide an additional incentive for further reading on the subject matter The most important finding to emerge from the study is that there is a shared legal ethos in Europe that imposes a duty of appropriate care concerning the vast variety of sacred cultural goods and the religious cultural heritage in general as an invaluable repository of European cultural capital It also considers the sui generis nature of this capital like any other type of asset it may deteriorate or fade over time necessitating investment in its preservation or refurbishment nevertheless like no other this particular capital maintains a distinct cultural value as it contains an additional characteristic of sacredness expressed in the form of its religious character the latter being analyzed as a triptych of religious memory religious aesthetics and religious beliefs
