The Fix Is In Brian Tuohy, 2010-04-01 Professional sports in America: it's all about fair play and the goal of winning championships. At least that's the spin. But could it be a massive showbiz operation filled with greedy owners, crooked referees, and coddled players, all with the unstated goal of grabbing as much money as possible? Author Brian Tuohy provides a full-sourced saga of the corruption that has infected the storied histories of the NBA, MLB, NFL, NHL, and NASCAR. With reality obscured by a complacent and often complicit sports media, *The Fix Is In* shines a light on a hidden history of clandestine arrangements between television networks and sports leagues, all against a background of drinking, drugging, and crime. Finally, here's a book that unflinchingly examines the sordid underbelly of the American sports industry. Brian Tuohy maintains the website thefixisin.net and is a frequent contributor to the CBS Sports website bleacherreport.com, where he chronicles sports scandals and conspiracies as the stories break. Brian has been interviewed by The New York Times, ESPN, Fox Sports, and The Power Hour radio program.

Contains profiles of great players and coaches, school histories, recipes, famous alumni, where to shop and golf, etc. The Bible of SEC Football, 1595. Paperback, 320 pages. Synopsis: Dan Jenkins, author and sportswriter, simply summed up the popularity of the game of football in the South with the following statement: "To Southerners, football is as essential as air conditioning." The irreplaceable Voice of the Volunteers on radio during the 1950s, George Mooney, once stated: "No matter where I was broadcasting from, I found the fans in the South to be knowledgeable, fair, and yes, loud and frenzied. They are very proud of their rich football heritage. And they are very proud of their schools, their teams, and the deep pride that goes with being from the South." Late legendary college football commenter Keith Jackson, in describing the SEC Football experience, once aptly stated that there are few instances of alleged entertainment and relaxation that can match a college football game in stirring the deepest flames of partisanship and outright provincialism. And down South, you can color that partisanship: passionate Southeastern Conference Football is the paragon of the college
