Science Fiction and Futurism Ace G. Pilkington, 2017-03-05 Science and science fiction have become inseparable with common stories interconnected thought experiments and shared language This reference book lays out that relationship and its all but magical terms and ideas Those who think seriously about the future are changing the world reshaping how we speak and how we think This book fully covers the terms that collected clarified and crystallized the futurists ideas sometimes showing them off sometimes slowing them down and sometimes propelling them to fame and making them the common currency of our culture The many entries in this encyclopedic work offer a guided tour of the vast territories occupied by science fiction and futurism In his Foreword David Brin says Provocative and enticing Filled with huh moments and leads to great stories That describes this volume

Brazilian Science Fiction Film Alfredo Suppia, 2024-12-01 This book offers a pioneering critical history of Brazilian science fiction SF cinema from its first appearances in the mid twentieth century to the present Though frequently overlooked by scholars SF cinema from the Global South has reinvigorated the genre in recent decades In this comprehensive study the first of its kind in either English or Portuguese Alfredo Suppia draws out the unique features and universal resonance of SF film in Brazil a country that has fittingly been called the land of the future In Suppia's analysis Brazilian SF stems from and responds to a long history of inequality in which everyday reality has often resembled a movie like dystopia Analyzing both short and feature films in the context of social political and economic transformations Suppia rethinks SF film in general from a southern perspective

The Astral Wanderer and the Forest of Tears Amelie C. Langlois, 2020-10-19 A tale of blood and elder magic where the air plays the mind of its memories and the trees bleed psychotropic venom A wanderer scours a sentient forest of flesh and delirium for the only thing that he can still remember his daughter exiled from time when a devastating cataclysm doomed the world to an eternity of suffering The Astral Wanderer and the Forest of Tears is the first book in a series of three fusing the genres of cosmic horror dark fantasy and apocalyptic science fiction with the surreal dread of a twisted fever dream This book contains scenes of violence that may be unsuitable for some readers

The Sister Verse and the Devouring Glass Amelie C. Langlois, 2018-11-28 In the second book of the Sister Verse Diana and her party must brave the surreal and violent wastes of the Dreadlands once again in their quest to recover the Devouring Glass With the aid of a mysterious wanderer who can bridge the void between worlds they must infiltrate the darkling capital of Lao Va and come to terms with the truth of their world or be damned to a fate worse than death This book contains scenes of violence that may be unsuitable for some

All Brain and No Soul? Robert A. Hunt,2025-02-24 All Brain and No Soul Real Humanity in an AI Age explores the profound shifts in human identity and understanding in the context of historical scientific and technological revolutions particularly the rise of artificial intelligence Beginning with the author s personal reflections on chaos and order

in a changing world it delves into humanity's displacement from the cosmic center through the Copernican Revolution the evolution of modern science and the redefining of intelligence and sentience The narrative examines humanity's role within an expanding indifferent universe and the implications of Darwin's theories on our relationship with nature and other species It interrogates how technological advancements like AI and brain computer interfaces reshape human self perception and blur boundaries between machines and humans The book highlights the dangers of abstracting humanity into algorithms and idealized digital personas Through a lens of history religion and philosophy the author raises questions about what it means to be human in a world increasingly mediated by screens algorithms and artificial intelligences urging readers to reflect on the balance between technological progress and retaining authentic human connections
