Resentment T.O. Paine,2022-06-10 They killed her husband Now they re coming for her son Lauren Kaine has everything she ever wanted a fabulous home a shiny Lexus a bright sixteen year old son and a loving husband with a lucrative internet career Tonight she walks hand in hand with William beneath the lustrous Seattle sky celebrating twenty two years of marriage But they re not alone A mysterious black Audi comes out of nowhere and chases William onto a bridge He shouts They re here for the card and falls to his death Enraged Lauren attacks the car but the tinted windows hide the driver s face and it speeds away Still mourning she sets out to find her husband s killer when a stranger calls and demands the card William never mentioned a card and she doesn t know where it is The stranger follows her He torments her He threatens to kidnap her son and throw him into the same river that killed William And it s not just the stranger Black cars lurk around every corner William s co workers refuse to talk to her Her brother in law resurfaces after years of silence and he knows something but she s running out of time She searches for the card and the past pulls her back to the first time someone kidnapped her son Back to her resentment Back to the truth You re only as sick as your secrets This dark thriller is intense fast paced and sure to keep readers on the edge of their seats The Book Review Directory An energetic enthralling tale of dangerous family secrets Kirkus Reviews Get Your Copy Today

Design Engineering and Science Nam Pyo Suh,Miguel Cavique,Joseph Timothy Foley,2021-10-25 Design Engineering and Science teaches the theory and practice of axiomatic design AD It explains the basics of how to conceive and deliver solutions to a variety of design problems The text shows how a logical framework and scientific basis for design can generate creative solutions in many fields including engineering materials organizations and a variety of large systems Learning to apply the systematic methods advocated by AD a student can construct designs that lead to better environmental sustainability and to increased quality of life for the end user at the same time reducing the overall cost of the product development process Examples of previous innovations that take advantage of AD methods include on line electric vehicle design for electric buses with wireless power supply mobile harbors

that allow unloading of large ships in shallow waters microcellular plastics with enhanced toughness and lower weight and organizational changes in companies and universities resulting in more efficient and competitive ways of working The book is divided into two parts Part I provides detailed and thorough instruction in the fundamentals of design discussing why design is so important It explains the relationship between and the selection of functional requirements design parameters and process variables and the representation of design outputs Part II presents multiple applications of AD including examples from manufacturing healthcare and materials processing Following a course based on this text students learn to create new products and design bespoke manufacturing systems They will gain insight into how to create imaginative design solutions that satisfy customer needs and learn to avoid introducing undue complexity into their designs This informative text provides practical and academic insight for engineering design students and will help instructors teach the subject in a novel and more rigorous fashion Their knowledge of AD will stand former students in good stead in the workplace as these methods are both taught and used in many leading industrial concerns

The Crisis T.O. Paine, 2025-03-04 She wants to quit smoking He wants to start a nuclear war They both want the girl with the cryptic tattoo Stuck working at a backwater convenience store in the middle of northern Florida Mattie longs for a cigarette She longs for her days as a marine biologist at the Queen Aquarium down south She longs for her best friend Hank the Manatee Her colleagues blamed her for his death and now she blames herself She should have done something sooner Today a nervous couple enters the convenience store The man is big bald and has a tight grip on the girl's arm The girl is small young and has a number tattooed on her leg It looks like a brand When they leave Mattie finds a note on the floor Blue Honda mini van going to Salt Springs Someone named Stanley A similar thing happened to Mattie's cousin This girl is being kidnapped Trafficked The note isn't enough for the police to care but Mattie does She jumps into her decrepit Toyota wagon and flies onto the highway wasting no time She's got to stop that mini van before it reaches Salt Springs She's got to save that girl before she's sold to the highest bidder Meanwhile in Cuba a militant rebel has sent his men to the US He's been searching for a young woman with a cryptic tattoo on her leg for over ten years When his men bring her to him he'll finally have the negotiating power he needs to overthrow the Cuban government He'll have the power to make the United States listen to Cuba for once It's only a matter of time His men are already in Salt Springs waiting for her The Crisis is a breakneck thrill ride guaranteed to pique your imagination and thrust you deep into a fun-filled action-packed international conspiracy
