The Story of Dhirubhai Ambani: An Indian Industrialist Sushmita Dutta,2023-05-04 Dhirubhai Ambani was a visionary entrepreneur who left an indelible mark on the Indian business landscape He was a man of humble origins who rose to become one of the most successful businessmen in India He started his career as a clerk in Yemen and upon returning to India he founded Reliance Commercial Corporation with a modest capital of Rs 15 000 Through hard work perseverance and astute business acumen Dhirubhai transformed Reliance Industries into a diversified conglomerate with interests in multiple sectors He was a pioneer in using backward integration and other innovative business strategies to grow his company Dhirubhai was also known for his generosity and philanthropy and he supported various causes related to education healthcare and social welfare Even after his passing Dhirubhai Ambani's legacy continues to inspire entrepreneurs and business leaders in India and beyond

Sue the Messenger Subir Ghosh,2016-04-24 Books come with certain advantages for the journalist researcher wanting to get the big story out to readers First there is a propensity among people to take a book more seriously than a news item or a series of reports in dailies websites or periodicals Besides books by their very nature have a shelf life Moreover a book on a contentious subject can be far more damaging for its subjects than news reports which are ephemeral by nature Public memory is short too In other words when a journalist brings out a publication that is critical in nature of a corporate the book is taken more seriously and perceived to be a far bigger threat A damning report in a newspaper or a magazine too would meet with the same kind of threat perception Overlay this with the socio political climate that has been prevailing in India since the Congress led United Progressive Alliance government was re elected in 2009 Plagued by a number of scams and hamstrung by unbridled inflation the UPA's last days were marked by political turbulence The anti graft agitation of the India Against Corruption movement led to the formation of the Aam Aadmi Party but the political capital of the public discontent against corruption was reaped by the Bharatiya Janata Party which with its partners went on to form the government in New Delhi in May 2014 The crackdown on dissent that was practised by the UPA in fits and starts was institutionalised by the NDA Sue the Messenger is a collection of stories about stories stories that run foul of corporate entities and conglomerates which result in SLAPPs strategic litigation against public participation By their very nature SLAPPs are meant to undermine

democracy This is the concern that journalists Subir Ghosh and Paranjay Guha Thakurta through Sue the Messenger wish to address

The Biopic in Contemporary Film Culture Tom Brown, Belén Vidal, 2013-12-17 The biographical film or biopic is a staple of film production in all major film industries and yet within film studies its generic aesthetic and cultural significance has remained underexplored The Biopic in Contemporary Film Culture fills this gap conceptualizing the biopic with a particular eye toward the life of the genre internationally New theoretical approaches combine with specially commissioned chapters on contemporary biographical film production in India Italy South Korea France Russia Great Britain and the US in order to present a selective but well rounded portrait of the biopic s place in film culture From Marie Antoinette to The Social Network the pieces in this volume critically examine the place of the biopic within ongoing debates about how cinema can and should represent history and real lives Contributors discuss the biopic s grounding in the conventions of the historical film and explore the genre s defining traits as well as its potential for innovation The Biopic in Contemporary Film Culture expands the critical boundaries of this evolving versatile genre

The New Maharajahs Claudia Cragg, 1996 Until India gained its independence from Britain in 1947 one third of the country was ruled by a lazy pampered group of 565 maharajahs or princes They led hedonistic lives with scores of wives and concubines palaces and jewels and spent much of their time playing polo and tiger hunting The late Prime Minister Indira Gandhi taxed the maharajahs almost out of existence and few physical traces of their former glory remain However a new breed of commercial princes has sprung up in their place

Great Businessman in the World Manoj Dole, Successful entrepreneurs inspire other successful entrepreneurs and this list of super successful entrepreneurs has inspired millions Two key characteristics of all successful entrepreneurs are their focus and determination Their success has come as a result of solving problems and making the world a better place Are you looking for the list of most famous entrepreneurs in the world Well you have come to the right place This book contains a list of some of the best entrepreneurs to follow in the modern age We ve also included their net worth favorite quotes and lessons we can all learn from the world s top entrepreneurs Honestly the word entrepreneurship has many definitions From Steve Jobs point of view entrepreneurship is about doing really crazy things to achieve amazing things It s just making a dent in the universe The idea of entrepreneurship primarily revolves around having an idea working on it until it becomes a reality facing daily challenges competing with others in your industry and ultimately increasing the profitability of your business If you want to be a successful entrepreneur you must have a clear vision work hard towards your goals select the right team and be persistent for the next few years After all entrepreneurship is about working extremely hard reaching your goals making a profit and attracting the right customers so that you can survive in the long run A lot has been said about entrepreneurship now let s go straight to the list of some of the best entrepreneurs to follow in 2022 and beyond

India's Global Wealth Club Geoff Hiscock, 2008 The Indian entrepreneur is spearheading India s advance towards the forefront of the world economy This book reviews and retraces the formidable path of those

individuals who have spurred the growth of Indian businesses and are at the heart of India's economic fabric today. Be they first or second wave businessmen and women, they stand out by their creativity, sharp mindedness and hard work and self confidence. They have opened a new chapter in India's history by propelling their businesses into internationally competitive multinationals and are sources of inspiration and hope for the young citizens of India.

Colette Mathur, Senior Advisor to the World Economic Forum for India, Co-President of the EuroIndia Centre, BII India's Global Wealth Club, is a fascinating read on today's India and what it can offer for the future. It provides rich insights on the confusing topic of what makes India tick by describing it through the minds and intellects of Indian business leaders from a wide spectrum of industries.

Rama Bijapurkar, Author of *Winning in the Indian Market: Understanding the Transformation of Consumer India*, Mr. Hiscock's book will prove an essential resource for anybody contemplating venturing into the highly lucrative but deeply complex Indian marketplace. The industry case studies and personal profiles hold valuable and often unmatched insights into the financial secrets of the subcontinent's restive tiger.

Grant Holloway, Managing Editor, The Australian Online

Prime Time Soap Operas on Indian Television Shoma Munshi, 2012-07-26 This book focuses on urban family soaps on television and analyses them as an important resource for anthropological insights into contemporary social issues and practices. It studies the popular and everyday while also concentrating on the middle class.

INDIA'S POLITICAL BLUNDERS BLEEDING ITS BORDERS PRAHALAD RAO, 2021-05-03 This book strives to find out how the rulers of our country missed the opportunities in hand to resolve the boundaries of India with Pakistan and China. The author has used the words missed opportunities because opportunities to settle the borders were offered to the rulers of that time. But what happened instead was the wanton self denial of those opportunities. Those errors of judgment and political mistakes cost the country heavily both in terms of loss of lives and increasing monetary burden. What is waiting to come is difficult to predict. The author considers that the historical and legal documents of the past 200 years provide irrefutable grounds for India to reclaim the large tracts of land at the borders. The book urges the reader to think and wonder how long will India wait for this settlement. How can we silence the borders any longer when the noise has been growing louder for decades.
