American Government Magruder S Worksheet Answer Book:

Foundations of Method for Secondary Schools I. N. Thut, Joseph Raymond Gerberich, 1949 The balance between the emphases on method and content is not everywhere the same and varies from system to system from school to school from classroom to classroom This text has been developed over a period of years in response to a need for a new perspective on educational method Under the influence of the curriculum movement the purposes of the school and the objectives of teaching have undergone serious revision New content has been introduced to supplement rather than replace the old and a variety of methods are called for and teaching procedures must be adapted to the sought goals This text seeks to provide the needed perspective and to bring a closer coordination between method and content **Catalog of Copyright Entries.**
