Gregory S. Aldrete,Alicia Aldrete,2019-02-07 A vivid exploration of the many ways the classical world remains relevant today this is a passionate justification of why we continue to read about and study the lives and works of the ancient Greeks and Romans Challenging the way the phrase That s just ancient history is used to dismiss something as being irrelevant Greg and Alicia Aldrete demonstrate just how much ancient Greece and Rome have influenced and shaped our world today in ways both large and small From the more commonly known influences on politics law literature and timekeeping through to the everyday rituals and routines we take for granted when we exercise dine marry and dress we are rooted in the ancient world Even the political upheaval celebrity obsession and blurring of public and private boundaries that we see in current news betray ancient characteristics now brought to the fore here in a new final chapter If you have ever wondered how far exactly we still walk in the footsteps of the ancients or wanted to understand how study of the classical world can inform and explain our lives today this is the book for you **Extravagant Love**

Carole Engle Avriett,2023-04-11 Have you ever been loved with skimpy love Or has your love for someone else seemed to shrivel Enter the world of God s extravagant love It is beyond measure Careful study of God s Word along with delving into ancient customs and symbols from Biblical times helps us understand His passionate love for all He has created Sometimes extravagance is found in the simple things of daily life We usually think of extravagance as spending excessively on material goods So to use that term for an itinerant teacher who had only one change of clothes and depended on others for food and a place to lay His head seems a stretch Yet Jesus was the most extravagant person who ever lived To understand that we have to revise our notion of extravagance focusing on intangible qualities like thoughtfulness caring and humility In this remarkably imaginative book Carole Engle Avriett guides you through the agriculture diet and commerce of Jesus s culture to shed new light on God s nature Reading it you will gain a deeper understanding of God s love a love of astonishing extravagance **Diabetes Desserts Cookbook For Dummies**
