HOLT Physics

The background of the cover is a dark, abstract composition. It features several bundles of fiber optic cables, some of which are illuminated with a bright blue light, creating a sense of depth and movement. A prominent, glowing blue sine wave curves across the lower right portion of the image. In the lower left, there is a yellowish-green, curved shape that resembles a lens or a piece of glass. The overall color palette is dominated by deep blues, purples, and a touch of yellow-green.
