Consciousness and its Objects Colin McGinn,2004-03-25 Colin McGinn presents his latest work on consciousness in ten interlinked essays four of them previously unpublished He extends and deepens his controversial solution to the mind body problem defending the view that consciousness is both ontologically unproblematic and epistemologically impenetrable He also investigates the basis of our knowledge that there is a mind body problem and the bearing of this on attempted solutions McGinn goes on to discuss the status of first person authority the possibility of atomism with respect to consciousness extreme dualism and the role of non existent objects in constituting intentionality He argues that traditional claims about our knowledge of our own mind and of the external world can be inverted that atomism about the conscious mind might turn out to be true that dualism is more credible the more extreme it is and that all intentionality involves non existent objects These are all surprising positions but he contends that what the philosophy of mind needs now is methodological radicalism a willingness to consider new and seemingly extravagant ideas **CUET PG**

His Property: A Dark Mafia Romance Nicole Cypher, 2023-04-06 Enjoy this thrilling pain play mafia romance by dark romance author Nicole Cypher. I've never been one for rules. Being a soldier for the Gruco Crime Family has done more for me than I can fully express. It's given me purpose, a home, and above all else, an outlet for my more sinister desires. But for as much as the familia gives the rules they put in place to tame me, take away. For years I've used my position to feed my demons, but they've never been fully satiated. I never knew just how starved I was until I meet the curly haired good girl with a taste for sin that matches my own. She owes the Gruco's money, and I happen to be the debt collector. When she makes me an offer that will quench my thirst after all these years, I can't refuse, no matter what rules I have to break. A note about Gruco Crime Family: Great for fans of Natasha Knight, Nicole Fox, and Sophie Lark, this is an 18 standalone mafia romance series with varying tropes and heroes with diverse personalities, intentions, and tolerances for violence. Because of this, each book can be very different, and it's perfectly okay to hop around.
