

A detailed view of a car's lower suspension assembly, specifically a control arm and ball joint, resting on a wooden workbench. The assembly is dark grey and metallic. To the right of the main assembly, there are several small, dark, cylindrical components, likely ball joint caps or seals, arranged in a row. A yellow arrow points from the right towards the ball joint area of the main assembly. In the background, there are various tools and materials, including a paint can with a brush, a small white container, and some blue plastic bags.
