

The one and only Cat.

The Cat. It's one of a kind. You know it. And so does everybody else. They say imitation is the purest form of flattery. Well, look around.

Look at all the Johnny-come-lately slide rails. All the low, forward mounted engines. All the riveted aluminum chassis. We were there first.

And we're still first. Because to us it's a whole system. Not just a lot of imitation parts. Look at the Cat's look. Feel the

ride. And compare the way yours. It's plain enough to see. We're not resting on our laurels. We're king of the hill. We like it up here. And so will you.
