Name _____

**DO NOT BEGIN UNTIL YOU ARE
INSTRUCTED TO DO SO.**

This section of the competition consists of 30 problems. You will have 40 minutes to complete all the problems. You are not allowed to use calculators, books or other aids during this round. Calculations may be done on scratch paper. All answers must be complete, legible and simplified to lowest terms. Record only final answers in the blanks in the right-hand column of the competition booklet. If you complete the problems before time is called, use the remaining time to check your answers.

In each written round of the competition, the required unit for the answer is included in the answer blank. The plural form of the unit is always used, even if the answer appears to require the singular form of the unit. The unit provided in the answer blank is the only form of the answer that will be accepted.

Personalising Library Services in Higher Education Mr Andy Priestner, Mrs Elizabeth Tilley, 2012-10-28 In an economic climate where cuts are becoming the norm a boutique library service may seem a contradiction In some academic libraries the trend is still towards centralisation programmes or offering generic services However the student as the customer now has an even greater vested interest in the learning process as their financial commitment increases and they are demanding better services Personalised library services are tailored with a specific clientele in mind and will provide the enhanced service demanded by today s students These services need not cost more money but they do require inventive and customer facing staff They celebrate and promote collaborative ventures along with excellent communication and marketing This book unpacks the boutique model and is full of practical advice supported by a unique set of case studies reflecting international practice including Australian American and Russian and UK library services
