Melchizedek,2012-04-28 Once all life in the universe knew the Flower of Life as the creation pattern the geometrical design leading us into and out of physical existence Then from a very high state of consciousness we fell in darkness and forgot who we were For thousands of years the secret was held in ancient artifacts and carvings around the world and encoded in the cells of all life Here Drunvalo Melchizedek presents in text and graphics the first half of the Flower of Life Workshop illuminating the mysteries of how we came to be why the world is the way it is and the subtle energies that allow our awareness to blossom into its true beauty Sacred Geometry is the form beneath our being and points to a divine order in our reality We can follow that order from the invisible atom to the infinite stars finding ourselves at each step The information here is one path but between the lines and drawings lie the feminine gems of intuitive understanding Explore the miracle of our existence by meandering through the wonderland of geometry science ancient history and new discovery seen through the widened vision of Drunvalo and the Flower of Life Volume 2 will explore in great detail the Mer Ka Ba the 55 foot diameter energy field of the human lightbody This knowledge leads to ascension and the next dimensional world About the Author Drunvalo Melchizedek s life experience reads like an encyclopedia of breakthroughs in human endeavor He studied physics and art at the University of California at Berkeley but he personally feels that his most important education came after college In the last 25 years he has studied with over 70 teachers from all belief systems and religious understandings providing him with a wide breadth of knowledge compassion and acceptance Not only is Drunvalo s mind exceptional but his heart his warm personality his love for all life everywhere is immediately understood and felt by anyone who meets him For some time now he has been bringing his vast vision to the world through the Flower of Life program and the Mer Ka Ba meditation **Atlantis & Lemuria** Tom T.
