Anglican Daily Bible Guide 2015:

Practicing Life Together Paul Gutacker, 2025-09-02 You don't have to go it alone after college nor should you. This book invites emerging adults to consider participating in a common rule that will guide their growth and cultivate genuine community. A rule of life is like a trellis. It's a standard offering guidance and encouraging growth in the right direction. It's a way of living intentionally of committing to spiritual disciplines that are too important to leave up to our day to day whims. Dietrich Bonhoeffer discerned that Christian community is not an ideal which we must realize it is rather a reality created by God in Christ in which we may participate. Christians don't have to go it alone during the formative years after college it's possible to practice life together. Gutacker introduces practices we can take up with others: communal prayer, weekly dinners, studying together, and Sabbath in the hope that these can become life-shaping habits. *Grounded in the Body, in Time and Place, in Scripture* Jill Firth, Denise Cooper-Clarke, 2021-02-01 In my bibliographies there are no women in the evangelical tradition and no Australian women scholars. This unique volume addresses this gap with eighteen biblically rich and academically rigorous chapters by established and emerging Australian women scholars in the evangelical tradition. The authors consider our relationship with the land and Indigenous peoples, neighborhood embodiment, disability, abortion, leadership, work, architecture, the media, Song of Songs and domestic violence, and Jeremiah and weaponized rape and demonstrate recent methodologies such as a social identity reading of Exodus, sensory readings of Psalms and John's Gospel, and discipleship readings of Mary and Martha and the woman at the well. A contemporary Kriol psalm and stories of pioneering Australian women theologians, students and teachers complete the volume. Valuable for students and teachers across Bible, theology, ministry and practice, subjects, this book is an essential inclusion in any theological library.

Explorations in Twentieth-century Theology and Philosophy Ann Loades, 2023-04-11 Ann Loades has been instrumental in bringing forward for the attention of readers in later generations voices from the past, notably highlighting the work of pioneering women such as Evelyn Underhill and Dorothy L. Sayers, as well as advancing the study of better known Anglican forebears C. S. Lewis and Austin Farrer, always with her own distinctive concerns. A key interpreter of the Anglican tradition and with a keen eye to ensure the full recognition of women, these studies by Ann Loades are essential reading in Anglican feminist and twentieth-century theology. *Growth and Decline in the Anglican Communion* David Goodhew, 2016-12-15 The Anglican Communion is one of the largest Christian denominations in the world. *Growth and Decline in the Anglican Communion* is the first study of its dramatic growth and decline in the years since 1980. An international team of leading researchers based across five continents provides a global overview of Anglicanism alongside twelve detailed case studies. The case studies stretch from Singapore to England, Nigeria to the USA, and mostly focus on non-western Anglicanism. This book is a critical resource for students and scholars seeking an understanding of the past, present and future of the Anglican Church. More broadly, the study offers insight into debates surrounding secularisation in the

Companion to the Book of Common Prayer Gerald Bray, 2023-11-30 The Book of Common Prayer stands as one of the greatest achievements of the English Reformation Although increasingly replaced by more modern forms it remains the foundation of Anglican worship and a succinct expression of Anglican doctrine as received by its sixteenth and seventeenth century authors It is therefore a text to be treasured and used both for its historical insight into the Church of England s theological origins and for its continued value as an enriching liturgical resource In this Companion Gerald Bray provides a practical guide to the 1662 text and its underlying doctrinal basis Outlining its development from the first version of the prayer book in 1549 through the Elizabethan settlement and the upheaval of the civil war and protectorate he shows that many of the liturgical controversies and debates we see today are nothing new With the inclusion of a summary of the history of the text and an extensive bibliography for further reading A Companion to the Book of Common Prayer will unlock this seminal text for a fresh generation of worshippers Toward 2015 Richard Kew, Roger J. White, 1996-12 Richard Kew the

director of the Russian Ministry Network and Roger White the Episcopal Bishop of Milwaukee chart the course that churches must take in order to achieve the goal of a strong lively and mission centered church The authors believe that the organizing principle of tomorrow s church must be the business of mission witness and evangelism Each chapter ends with a point by point summary and questions for discussion A list of ministry resources offers connections with others who are actively preparing for ministry in the twenty first century

Modernism the Morning After Bob Perelman,2017-04-18 In *Modernism the Morning After* Bob Perelman scrutinizes a number of long held modernist dogmas in order to articulate a more capacious model for thinking about modernism past present and future Throughout his career Perelman has focused on the persistence of modernist ambition in poetry with all of its admirable articulations and tragicomic short circuits Poetry it turns out is not simply news that stays news as Ezra Pound postulated Instead as Perelman demonstrates poetry often gropes toward whatever news can be found in the broader contexts of public speech the cultural commons the almost real or much too real language of people and our hyperactive media Book jacket
