Bradley,2015-06-14 This study of early sound shorts begins with an explanation of the development of sound motion pictures in Hollywood by such influential companies as Warner Bros and Fox with an emphasis on short subjects leading up to the first few months when all of the major studios were capable of producing them The next chapters discuss the impact on other mass entertainments the development of audible news reels and other non fiction shorts as well as the origins of animated sound subjects A comprehensive list of pre 1932 American made shorts completes the volume **ABSOLUTE EMPOWERMENT** Frank Fracasso,2023-10-10 This manuscript electrifies you with crisp ideas For the first time you gain extraordinary insights into your personal social spiritual and commercial growth The text serves as a model for achieving total success The exclusive framework of ABSOLUTE EMPOWERMENT shatters barriers to higher success which psychological physiological and metaphysical

methods do not overcome The subject matter proves that you can balance multiple core values fulfill your numerous desires and maintain them with poise throughout your life *Uneasy Lies the Head - A Time Travel Story* Doug Fowler,2017-06-20 Joe learns time travel while feasible is also quite rude when he sends his mind back in time to Louis XIV as he becomes absolute monarch in 1661 Louis can't believe what this brash fellow from nearly 500 years in the future is doing Joe makes a number of flubs infuriating nobles and nearly igniting a number of revolts as he tries to make the world better When the pope calls him on the carpet he must flee for his life after what he says The advances he introduces change the world but he ends up creating a much different history than he knows and must determine how France should respond to a number of events in Europe Finally he must decide whether to go back to his own history and a body dying without its brain and soul or to stay in that past which he has created Indeed he wonders if he can be pulled back Will Joe make it What kind of alternate world will he create and can he make it a lasting change *Why did the chicken cross the road? the voices of the past emerge to vividly recount the renegade's story Dillinger's associates included the likes of Harry Pierpont and George Baby Face Nelson And the women in his life were as colorful as the boys in his gang from the love of his life Evelyn Billie Frechette to Anna Sage the woman in red who lured him into the FBI sting that resulted in his death on July 22 1934 Many a man fell on both sides in the effort to capture and keep imprisoned the incorrigible Johnnie D Sixty five years after Dillinger's death Knight proves that this story of America's dashing Public Enemy is still the most charged and gutsy of the 1930s Dillinger remains the enduring symbol of the gangster era a gentleman on the wrong side of the law At the Publisher's request this title is being sold without Digital Rights Management Software DRM applied

A History of the Hal Roach Studios Richard Lewis Ward, 2006-08-15 Once labeled the lot that laughter built the Hal Roach Studios launched the comedic careers of such screen icons as Harold Lloyd Our Gang and Laurel and Hardy With this stable of stars the Roach enterprise operated for forty six years on the fringes of the Hollywood studio system during a golden age of cinema and gained notoriety as a producer of short comedies independent features and weekly television series Many of its productions are better remembered today than those by its larger contemporaries In A History of the Hal Roach Studios Richard Lewis Ward meticulously follows the timeline of the company's existence from its humble inception in 1914 to its close in 1960 and through both its obscure and famous productions traces its resilience to larger trends in the entertainment business In the first few decades of the twentieth century the motion picture industry was controlled by an elite handful of powerful firms that allowed very little room for new competition outside of their established cartel The few independents that garnered some measure of success despite their outsider status usually did so by specializing in underserved or ignored niche markets Here Ward chronicles how the Roach Studios at the mercy of exclusive distribution practices managed to repeatedly redefine itself in order to survive for nearly a half century in a cutthroat environment Hal Roach's tactic was to nurture talent rather than exhaust it and his star players spent the prime of their careers shooting productions on his lot Even during periods of decline or misdirection the Roach Studios turned out genuinely original material such as the screwball classic Topper 1937 the brutally frank Of Mice and Men 1940 and the silent experiment One Million B.C. 1940 Ward's exploration yields insight into the production and marketing strategies of an organization on the periphery of the theatrical film industry and calls attention to the interconnected nature of the studio system during the classic era The volume also looks to the early days of television when the prolific Roach Studios embraced the new medium to become for a time the premier telefilm producer Aided by a comprehensive filmography and twenty seven illustrations A History of the Hal Roach Studios recounts an overlooked chapter in American cinema not only detailing the business operations of Roach's productions but also exposing the intricate workings of Hollywood's rivalrous moviemaking establishment
