Ans Sous Sarkozy:

French Politics and Society Alistair Cole, 2017-04-21 *French Politics and Society* is the ideal companion for all students of France and French politics with a strong reputation for its lucidity and lively exposition of the French polity. This third edition remains a highly readable text and offers a broad critical and comprehensive understanding of French politics. The book provides an excellent description of French institutions and ensures readers access to background information through discussing historical developments, political forces, public policy and the evolution of important aspects of French society. Key updates for the third edition include extensive updates including the Chirac, Sarkozy and Hollande presidencies, inclusion of constitutional and state reform coverage since 2008, the French party system and evolution of the French left and right, more on France's positioning with regards to Brussels and the impact of the European economic crisis. *French Politics and Society* is essential reading for all undergraduates studying French politics, French studies, European studies or comparative politics.

Financial Crises and the Limits of Bank Reform Eileen Keller, 2021 This book explains the reforms that have been implemented in France and Germany in response to the global financial crisis. It focuses on international banking reforms and domestic responses to the crisis.

Free to Stand for Truth and Justice Laurent Gbagbo, 2023-10-11 Ousted from power by the French army on April 11 2011 following the disputed presidential election in Côte d'Ivoire of November 2010, Laurent Gbagbo was charged with crimes against humanity before the International Criminal Court (ICC) in The Hague on December 5 2011. This book, written from 2012 onwards thanks to numerous prison visits and interviews, is the only one to have been produced with the participation of the Ivorian president during his incarceration and trial. This unique testimony is more than ever a document for history because it sheds light on the manipulations of the 2010 elections, the collusion between Nicolas Sarkozy's France and the ICC to get rid of Laurent Gbagbo, and the stalling tactics and maneuvers that marred Gbagbo's tenure. Over meetings with François Mattei, Laurent Gbagbo looks back on his seven years in prison, explains what they mean, and shares his vision for the future that of a free man. Come what may, Laurent Gbagbo, historian and university professor, has campaigned all his life for the establishment of true democracy in his country, Côte d'Ivoire. He was elected President of the Republic in October 2000. His struggle to give meaning to the word independence has always pitted him against powerful interests. François Mattei is a journalist and author of numerous books.

Diversity in Local Political Practice Karen Schönwälder, 2021-05-13 In what ways do local authorities respond to the increasing socio-cultural heterogeneity of urban populations? While other studies have often focused on policy declarations, the eight chapters in this book provide rich evidence on the content and implementation of local policies. Furthermore, several chapters offer theoretical insights into the factors driving or hindering policies that acknowledge socio-cultural heterogeneity and ensure more equality and inclusive public services. The general focus of the book is on cities in France and Germany, that is two major immigration countries in Europe, countries in which local authorities have a relatively strong position within the state.

structure The contributions analyze how local actors use their powers to ensure more equal public employment adapt cultural offers and recreational facilities to the demands of a diverse population and or to fight discrimination Further chapters investigate who takes part in formulating policies and seek to explain why cities take different decisions about strategies and practices As a whole the book contributes to the comparative study of societal diversity and local politics in France and Germany and will be of interest to academics researchers and advanced students of Sociology Public Policy Law and Political Science This book was originally published as a special issue of Ethnic and Racial Studies

The Oxford Handbook of French Politics Robert Elgie,Emiliano Grossman,Amy G. Mazur,2016-11-24 The Oxford Handbook of French Politics provides a comprehensive and comparative overview of the French political system through the lens of political science The Handbook is organized into three parts the first part identifies foundational concepts for the French case including chapters on republicanism and social welfare the second part focuses on thematic large scale processes such identity governance and globalization while the third part examines a wide range of issues relating to substantive politics and policy among which are chapters on political representation political culture social movements economic policy gender policy and defense and security policy The volume brings together established and emerging scholars and seeks to examine the French political system from a comparative perspective The contributors provide a state of the art review both of the comparative scholarly literature and the study of the French case making The Oxford Handbook of French Politics an invaluable resource for anyone interested in the foundations of contemporary political life in France

The Impact of the Economic Crisis on European Environmental Policy Charlotte Burns,Paul Tobin,Sebastian Sewerin,2018-12-13 The European Union EU has sought to establish itself as a global environmental leader but was hit by the combined effects of the economic and financial crisis from 2007 8 leading some to question whether the EU could continue to adopt ambitious environmental policy This volume brings together leading environmental policy scholars to analyse the impacts of the crisis upon environmental policy in the EU and its member states Authors analyse whether environmental policy has been dismantled expanded or stayed the same If policy has been dismantled the kind of strategy adopted is analysed active symbolic arena shifting or dismantling by default and at what levels change has occurred The Index of Policy Activity IPA is applied systematically across the cases which combine quantitative with qualitative analysis Non European cases are also included to provide a counterpoint for comparison The book finds that whilst the EU has not actively dismantled environmental policy its economic policies have had negative effects upon some Member States prompting policy dismantling Climate and energy policies have seen some policy expansion but there are examples most notably the UK where there has also been active policy dismantling The main trend is one of stasis environmental policy in Europe is judged to have plateaued calling into question Europe s much vaunted environmental leadership The book contributes to scholarship on environmental policy and public administration combining empirical and methodological insights to give an up to date
