109 Personal Finance Tips Things you Should Have Learned in High School is simple, easy to read, and understand. No nonsense money advice. It covers all the things that high schools should teach you about personal finance but don't. Maybe you're in debt up to your ears and feel overwhelmed. Or have no idea what kind of insurance if any you should be buying. Perhaps you're trying to get school and student loan stuff figured out but don't know where to turn. Maybe you're bleeding money each and every single month but have no idea where it's going. Perhaps you want to get started with saving for retirement and investing in the stock market but are just too confused by all the advice out there. If any of these statements resonate with you, it's okay. Everyone has been there at some point in their life. The key is empowering yourself with information in order to make a positive change. Take control of your finances. Get back on track for a better financial future. Pay off debt. Save for retirement. Take control.

109 Personal Finance Tips Things you Should Have Learned in High School is an excellent starting point.
