The background is a vibrant blue digital landscape. On the left, a semi-transparent globe shows a grid of latitude and longitude lines. To the right of the globe, a red line graph trends upwards, with several peaks and valleys. Below the graph, a series of vertical bars of varying heights are visible. The foreground is dominated by a perspective grid of glowing blue squares and circles, some of which are connected by thin lines, creating a sense of depth and data connectivity. A bright, multi-colored lens flare emanates from the center of the image, adding a high-tech feel.
