Infantry ,1975 *Biblical Heroes and Classical Culture in Christian Late Antiquity* Carson Bay,2022-11-24 In this volume Carson Bay focuses on an important but neglected work of Late Antiquity Pseudo Hegesippus On the Destruction of Jerusalem De Excidio Hierosolymitano a Latin history of later Second Temple Judaism written during the fourth century CE Bay explores the presence of so many Old Testament figures in a work that recounts the Roman Jewish War 66-73 CE and the destruction of Jerusalem in 70 CE By applying the lens of Roman exemplarity to Pseudo Hegesippus he elucidates new facets of Biblical reception history writing and anti Judaism in a text from the formative first century of Christian Empire The author also offers new insights into the Christian historiographical imagination and how Biblical heroes and Classical culture helped Christians to write anti Jewish history Revealing novel aspects of the influence of the Classical literary tradition on early Christian texts this book also newly questions the age old distinction between the Christian and the Classical or pagan in the ancient Mediterranean world

Life ,1891 **Springer-Verlag. Pt. 1: 1842-1945 : foundation, maturation, adversity** Heinz Sarkowski,Heinz Götze,1996-10-07 This book describes the fortunes and activities of one of the few specialist publishing houses still in the hands of the same family that established it over years ago and with it gives a portrayal of those members who directed it In doing so it covers a period of momentous historical events that directly and indirectly shaped the firm's actions and achievements But this volume tells not only in word and picture the story of Springer Verlag but also interwoven with it the story of scientific publishing in Germany over the span of a hundred years The text densely packed with carefully researched facts and figures is illuminated and supplemented by many illustrations whose captions together with the author's notes contain a wealth of important and interesting information The reader is urged to read these captions as well as the notes so as to appreciate in full the events and people described I have added a few footnotes to clarify or expand on some matters that may be unfamiliar to non German readers Because of the

long period of time covered in these pages many of the documents and letters shown and commented upon are different in diction and style from those of today An attempt was made in the translation to keep the flavour of the original language and not contemporise it **Army Life and United States Army Recruiting News** ,1942 **New York Magazine** ,1994-01-03
New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea **The Oxford encyclopedia of ancient Greece and Rome. - Vol. 1 - 7** Michael Gagarin,2010 **The Statutes at Large from the Magna Charta [to the End of the Eleventh Parliament of Great Britain, Anno 1761 Continued to 1806]** Danby Pickering,1766
