Anda Curso Elemental 1st Edition:

Anda Curso Elemental Audrey L. Heining-Boynton, Glynis Cowell, 2009-06-25 Anda Curso elemental 1 e is the first Elementary Spanish book conceptualized from the outset to meet the needs of today's language teachers and learners. In the last few years, classroom contact hours have been reduced drastically, class sizes have increased, and students' lives have become busier than ever. Instructors don't have time to cover everything that they feel is needed, and more is being asked of them with fewer resources. At the same time, language teachers want to spend as much time exposing students to Hispanic culture and practicing communication as they do with grammar. But there simply isn't enough time or resources. The result? Many instructors end up galloping through their elementary Spanish text, omitting interesting cultural lessons to try to give students the broadest grammatical exposure possible. Now they have a new option: Anda. This book's la Carte Edition is an unbound, three-hole-punched version of the textbook and provides students the opportunity to personalize their book by incorporating their own notes and taking only the portion of the book they need to class, all at an affordable price. **Anda Curso Elemental Unbound V1**, 2009-01-01 **Supplement: Anda Curso Elemental, Unbound (for Books a la Carte Plus) - Anda!
