Abductions, Fallen Angels, and Aliens Dennis Callen, 2022-10-14 The Bible declares in the Book of Revelation in chapter 12 that we will see this one day when the devil and his angels will be cast down to earth Not all angels have wings Therefore they must have something to fly in We know them as UFOs In the book people tell their stories of being abducted by aliens They tell us how their lives were drastically altered Many of them had been abducted many times I believe you will find their testimonies different from anything you ve ever read

Buddha according to Angel Jeanne Angel

Jeanne, 2025-03-13 A cornerstone of philosophical and spiritual literature Buddha According to Angel Jeanne is a book capable of rewriting the entire history of Buddhism It offers a previously unseen perspective on the original spiritual path created by Buddha bringing to light ancient teachings that had been censored or lost over the two millennia since his birth With great wisdom respect and humility the Author demonstrates vast depth of knowledge result of her extraordinary psychic experiences and resurrects the full recognition of the value that Buddha the Being made of gold deserves From the incredible story of his life through the accounts of his greatest Miracles to a detailed explanation of his ideals and principles still profoundly current and truly life changing this work reveals that only an Enlightened mind could shine a true Light on the memory of the greatest Enlightened One of all time Thanks to this book that memory will never be lost *Outer Space,*

Aliens, and the Holy Bible Paul Theriault, 2010-03-23 As time goes on man still has the same unanswered questions regarding the unknown phenomenon that s infected our planet Without expectation the unknown has appeared and disappeared without a clue as to what they are who they are and why they are here We know there is an outer space beyond Earth which contains an endless mass of stars planets asteroids and moons We call it the cosmos which refers to everything in space including Earth Is there anyone or anything out there besides us **Aliens in the Household of God** Paul Germond, Steve

De Gruchy, 1997 This groundbreaking volume explores and challenges the prejudice and discrimination that gay people experience within South African churches Drawing from a broad and diverse base these stories and essays suggest that heterosexism is the problem *Ufo'S (The Reality)* William Calderwood, 2015-04-10 The subject of UFOs I believe is one of the most important subjects there is because of its implications If an alien craft under intelligent control can shut down our nuclear missile systems which is a national security issue it has to be an important subject My interest began while in the service on a destroyer off the Korean coast when I heard that in the fall of 1951 a UFO was observed circling the task force and was picked up on 14 radars in the task force that began my interest in UFOs and have remained with me ever since After returning from the service I later had the opportunity to work for Boeing aero space on the Saturn V moon rocket worked at Michoud La 15 miles out of New Orleans Had a classified clearance while working there One night while lounging by the pool I was looking for the trail of a satellite going overhead when I noticed one of the stars by the big dipper started to move it traveled from the right side of the dipper to about the same distance on the left side and stopped After about two minutes it

slowly faded away knowing about space and that an object must travel at 17 000 miles an hour to remain in space or gravity would pull it down to earth it had to be a UFO After two and a half years at Michoud Boeing opened a new branch at Cape Kennedy Florida and I put in for a transfer there was accepted and worked in system interface control received a secret clearance while at the cape During the time I sat in on two lectures of UFOs the first was by Maj Keyhoe at the Marriott hotel in Coco Beach there was standing room only and he waved some documents and said UFOs were nuts bolts machines and were real objects The other lecture was at Patrick AFB next to where I lived at Satellite Beach The first half of his presentation was a slide show showing the most ridiculous UFOs imaginable an air force presentation The last half was his own personal experience when flying a cargo plane from a southern state to Washington D C A bright yellow UFO came His plane and followed him all the way to Washington D C after I left Boeing and came back home I turned on the TV to watch a new series called project blue book and it was directed by retired col Coleman Once hooked the subject stays with you for life
