Applegate, Michael Grant, 2021-10-05 The wildly popular bestselling sci-fi series by Katherine Applegate and Michael Grant returns in a new full color graphic novel series adapted by Chris Grine. Rachel is still reeling from the news that Earth is secretly under attack by parasitic aliens the Yeerks. Now she and her friends are the planet's only defense: five kids who purely by chance stumbled onto a downed spacecraft and were given the power to morph into any animals they touch. The team's best lead is their assistant principal Mr. Chapman, who is the human host to a high-ranking Yeerk official. It's not much, but Rachel's always been a daredevil and she volunteers to infiltrate Chapman's home. Rachel is tough. She's fearless. But what she finds inside may be more than even she can handle.

The Animorphs #2: the Visitor K. A. Applegate, 2026-05-05 The wildly popular bestselling Animorphs series by Katherine Applegate and Michael Grant is back with an all-new look. Perfect for Ani-fans of all ages. We can't tell you who we are. Or where we live. It's too risky. And we've got to be careful. But everyone is in danger. Yeah. Even you. If someone told you Earth was under a secret invasion, what would you think? Rachel had a hard time believing it, even after she and her friends saw what they saw and received an incredible power. The power to become any animal they touch. Rachel knew they were in danger from the start, so when it's suggested that they use their new powers to spy on one of their enemies, she rises to the challenge. But when she discovers what the Animorphs must do to win, will it be more than Rachel can handle?

The Visitor Katherine Applegate, 1999 Rachel and her friends have been given the power to morph into any animal they touch. So when Rachel starts to suspect that one of her school friends has fallen into the control of the evil Yeerks, she knows just the way to find out the truth.
