Anoint With Oil:

Anointing With Oil Eastwood Anaba, 2013-09-30 Using anointing oil to minister to people is a controversial issue among believers. Some believers detest its use so much that they walk out of meetings when it is used. The aim of this book is to give us biblical insight into the purpose of the anointing oil and how it can be used for the edification and blessing of believers. With regard to this subject we don't have to condemn others for their position. It is scriptural to use anointing oil in ministration but not mandatory. The law of liberty allows those whose faith is enhanced by the use of the oil to use it and those whose faith does not require it not to use it. Those who use it are not more spiritual than those who don't use it and those who don't use it don't necessarily have more faith in the Word of God than those who use it. **Anoint with Oil**

Rebecca Park Totilo, 2014-10-17 If you were told by church leaders that anointing with oil ceased during Old Testament times or that it is simply symbolic and has no power or significance today, you may be missing beauty and depth in your spiritual journey. Anointing with oil brings real benefits into your life such as promotion, discernment, sensitivity, fruitfulness, and declaration. In **Anoint With Oil**, Rebecca Park Totilo shares an aromatic and sacred expedition through the scriptures showing the purpose of anointing with oil, the methods used in the Bible, and their symbolism, the ingredients of the holy anointing oil, and the uses of essential oils mentioned in the Old and New Testaments. Discover new scents within these pages and find out: Why the right ear, right thumb, and right big toe? What is the mysterious fifth ingredient of the holy anointing oil? Which oils did Jesus anoint with? Who performs the anointing ritual? How can I benefit from anointing with oil? **The Sacrament of**

Anointing of the Sick Lizette Larson-Miller, 2005. Overviews affirms and critiques the current Roman Catholic rites for the pastoral care of the sick and engages them through contemporary theological, liturgical, pastoral, and cultural issues focusing particularly on the sacramental heart of the rites: the anointing of the sick.
