Another Hamlet The Mystery Of Leslie Howard:

Shakespeare and British World War Two Film Garrett A. Sullivan, Jr., Garrett A. Sullivan (Jr.), 2022-03-31 Garrett Sullivan offers a new approach to cinematic adaptation and appropriation of Shakespeare at a watershed moment in British history

Another Hamlet Charles Boyle, 2011-04-04 In *Another Hamlet* which includes both his original 30 page 1993 essay and the original screenplay based upon it Charles Boyle has produced a riveting political thriller that explores the life and tragic death of actor and film maker Leslie Howard a British patriot drawn into a deadly propaganda duel with the Germans Deftly interweaving the behind the scenes politics of World War II with the decadent showbiz world of the 1930s 1940s Boyle makes the tantalizing suggestion that it was Howard's growing conviction that the Earl of Oxford wrote Shakespeare which sealed his doom From Leslie Howard himself to Humphrey Bogart Merle Oberon Winston Churchill Anthony Eden and Joseph Goebbels Boyle brings to life a fascinating and often chilling cast of characters to tell the story of a maverick artist's losing battle with the power brokers of his age Charles Beauclerk author of *Nell Gwynn* and Shakespeare's *Lost Kingdom* **The Masks of Hamlet** Marvin Rosenberg, 1992 Every reader is an actor according to Rosenberg To prepare the actor reader for insights Rosenberg draws on major interpretations of the play worldwide in theatre and in criticism wherever possible from the first known performances to the present day The book is rich and provocative on every question about the play

Theatre Guild Quarterly, 1937 Shakespeare Survey Allardyce Nicoll, 2002-11-28 The first fifty volumes of this yearbook of Shakespeare studies are being reissued in paperback Flight 777 Ian Colvin, 2013-02-19 On 1 June 1943 Flight 777 a Douglas DC 3 en route from Lisbon to Britain was shot down over the Bay of Biscay by German aircraft Among the dead was the actor Leslie Howard who had returned from Hollywood to England to help the British war effort Also on board was Howard's tax adviser Alfred Chenhalls who smoked cigars and looked remarkably like Winston Churchill Did the Germans believe that Churchill was on board Flight 777 Other aircraft flying that route went unmolested by the Luftwaffe in spite of the German air presence over the Bay of Biscay These flights were operated by Dutch crews flying aircraft of KLM which were on charter to BOAC and it was an experience Dutch crew that was lost that day Ian Colvin carried out an exhaustive investigation into the incident including interviewing former Luftwaffe personnel and this book first published in 1957 is the result of his endeavors **The Stage**, 1937 **Shakespeare Films** Peter E.S. Babiak, 2016-05-23 This study reexamines the recognized canon of films based on Shakespeare's plays and argues that it should be broadened by breaking with two unnecessary standards the characterization of the director as auteur of a play's screen adaptation and the convention of excluding films with contemporary language or modern or alternative settings or which use the play as a subtext The emphasis is shifted from the director's contribution to the film's social cultural and historical contexts The work of the auteurs is reevaluated within present day contexts preserving the established canon while proposing new criteria for inclusion The Shakespeare Controversy Warren Hope, Kim Holston, 2009-07-15 Theories stating that plays attributed to

Shakespeare were in fact written by other authors have existed for more than 200 years some theories have been ridiculed and reviled while some have gained growing popular and scholarly support The history of the Shakespeare controversy is presented in this revised edition of the 1992 work with much new information and three additional chapters Part I documents and critically assesses the most important theories on the authorship question Part II is an annotated bibliography arranged chronologically of the many works that deal with the controversy from its vague beginnings to the present

American Theatre Gerald Bordman, 1996-11-21 This book concludes Gerald Bordman's acclaimed survey of American non musical theatre It deals with the years 1930 to 1970 a period when the number of yearly new plays was shrinking but a period during which American drama as a whole entered the world stage and became a dominant force With works like Eugene O'Neill's Long Day's Journey Into Night Tennessee Williams's A Streetcar Named Desire and Arthur Miller's Death of a Salesman American theater finally reached adulthood both dramatically and psychologically Bordman's lively authoritative study covers every Broadway production as well as every major off Broadway show His discussion moves season by season and show by show in chronological order he offers plot synopses and details the physical production directors players theaters and newspaper reviews This book and the preceding volumes of American Theatre stand as the premier history of American drama
