Civics Today Denny L. Schillings, 2002-02 *Teaching Civics Today* John Larmer, 2022-01-14 Learn how to teach civics in today's classrooms This professional book explores key civics topics and offers strategies for incorporating civics into social studies instruction Includes best practices implementation tools and more teacher support **Protest Politics Today** Devashree Gupta, 2023-05-03 Social movements play a vital and increasingly visible role in modern politics Headline grabbing demonstrations against authoritarian governments police brutality economic inequality and other grievances suggest that around the world social movements are seen as powerful catalysts of change In democracies as well as autocracies rich countries as well as poor citizens turn repeatedly to protest as a way of addressing a range of perceived social ills In this engaging and accessible book Devashree Gupta offers a thorough introduction to the study of social movements in these diverse settings examining their structures and operations to identify the ways in which political and social contexts shape how movements behave and what impacts they have Drawing on multiple theoretical approaches and contemporary case studies Gupta explores how movements think and act strategically learning from past interactions with authorities and the experiences of other movements to find innovative ways to challenge the status quo With suggestions for further reading and questions for class discussion throughout **Protest Politics Today** will be essential reading for students of social movements and contentious politics across the world **E-Politics and Organizational Implications of the Internet: Power, Influence, and Social Change** Romm Livermore, Celia, 2012-04-30 This book charts this influence and describes the unique effect electronic communication has on organizations communities nations and cultures Provided by publisher

U.S. Policy Towards Russia United States. Congress. Senate. Committee on Foreign Relations, 2006 **U.S. policy towards Russia : hearing before the Committee on Foreign Relations, United States Senate, One Hundred Ninth Congress, first session, June 21, 2005.** , **El-Hi Textbooks in Print** , 1974 **Civic War and the Corruption of the Citizen** Peter Alexander Meyers, 2009-05-15 In this unique book Peter Alexander Meyers leads us through the social processes by which shock incites terror terror invites war war invokes emergency and emergency supports unchecked power He then reveals how the domestic political culture created by the Cold War has driven these developments forward since 9 11 contending that our failure to acknowledge that this Cold War continues today is precisely what makes it so dangerous With eloquence and urgency Meyers argues that the mantra of our time everything changed on 9 11 is false and pernicious By contrast **Civic War and the Corruption of the Citizen** provides a novel account of long term transformations in the citizen's experience of war the constitution of political powers and public uses of communication and from that firm historical basis explains how a convergence of these social facts became the pretext for unprecedented opportunism and irresponsibility after 9 11 Where others have observed that our rights are under attack Meyers digs deeper and finds that today government by the people itself is at risk Sparkling with historical and philosophical insight this is a dramatic diagnosis of the American

political scene that at once makes clear the new position of the citizen and the necessity for active citizenship if democracy is to endure

Boom! a Revolting Situation Thomas Richard Harry, 2012-08 The idea of revolution is to take action The goal of revolution is positive change Thomas Richard Harry Boom A Revolting Situation BOOM is a tough minded eye opening appraisal of American Democracy that highlights serious lack of choice in today s political arena Party identification is unraveling increasingly voters opt not to be identified with them Nothing has yet developed to fill this void The result millions of political Independents with no place to turn come election time except to these two Parties they apparently reject Today these non aligned conservative and liberal Americans surpass either Democrats or Republicans Contrary to some Independents do represent a powerful political potential they just don t realize it yet A plurality of our electorate they have no option other than a least worst political choice That seems a democratic absurdity That s akin to political coercion at best political disenfranchisement at worst BOOM clarifies the primary historical and on going antagonism in American politics and identifies what may well be the political objective of Independents It then walks its readers through how this plurality of political orphans might achieve this goal It s an option that doesn t rely on the failed ideological approach of today s duopoly It could reinvigorate politics and change the direction of government towards achieving a more balanced outcome all within our existing electoral system

Teaching Civic Literacy Projects Shira Eve Epstein, 2014 This practical resource shows teachers how to enact robust forms of civic education in today s schools Both instructive and thought provoking it will inspire teachers to craft curricula addressing a wide range of genuine civic problems such as those related to racial discrimination environmental damage and community health Dividing civic literacy projects into three key phases problem identification problem exploration and action the author provides concrete examples from upper elementary middle and high school classrooms to illustrate and analyze how each phase can unfold The projects ultimately provide opportunities for youth to participate in civic life while they develop essential literacy skills associated with reading writing and speaking The final chapter outlines a curriculum design process that will result in coherent and meaningful civic literacy projects driven by clear goals It includes practical tools such as a sample unit timeline an assessment chart and student worksheets that can be modified for immediate use Shira s work offers us a reflection of democratic practice in the classroom through the teaching of critical reading persuasive writing and deliberation In Teaching Civic Literacy Projects Shira invites us all to contemplate the depth of the democratic project and the possibility that schools can help uphold our democratic ideals From the Foreword by Celia Oyler professor Teachers College Columbia University This book is a gem Shira Epstein has provided invaluable assistance for teachers interested in engaging their students in the political and civic spheres in ways that build crucial literacy skills The combination of a powerful framework and rich and detailed case studies provides readers with a clear vision and helpful specific guidance for creating robust civic learning experiences for young people Diana Hess senior vice president Spencer Foundation and professor University of Wisconsin Madison Excellent civic education means encouraging

young people to identify and define problems and take action That is challenging in our era of political polarization and narrow definitions of education Shira Eve Epstein provides the best practical guide for teachers who want their students to confront social problems Peter Levine Lincoln Filene Professor of Citizenship Public Affairs Tufts University
