the need to embrace the Fourth Industrial Revolution IR4.0 We hope that this approach will open the floor for attracting novel contributions from great minds with an awareness of protecting cultural heritage. In particular, specific attention is given to examining the role of technology usage in mediating the interaction between people and institutions for sustainable living, including the interaction between all members of society and technology. Along the same lines, a connotative analysis provides insight into how and why the application of smart digital infrastructures into hospitals and houses might prevent contagious diseases in the COVID-19 era. Our authors highlight key trends and insights from different perspectives and discuss various strategies and roles adopted by local and international institutions. Willingness to learn from others is the idea behind this book. In the light of this idea, organized preparations and well-coordinated initiatives produced favourable results in this collection. Through its discussion of the current crisis management via a wide range of information and experiences in sharing knowledge, experiences and skills from Malaysia, Indonesia, Iran, Pakistan, Turkey and Palestine, this book aims to be a part of the scientific environment that deliberates to decrease the number of infections and deaths in relation to the COVID-19 pandemic.

Central Themes Maya Kourani, Nisreen Sinjab, Thomas Royko, 2017-01-04. Central Themes Level One is an English language course book designed for students in Secondary One. Its scope and sequence is based on the English syllabus of the Lebanese Ministry of Education and Higher Education. Central Themes Level One presents topics such as discrimination, generation gap, technology, urbanization, hygiene, natural disasters and the media, which exhibit universality and stand true for people of all cultures. Through those topics, students better understand human experiences and gain insight into how the world works. Central Themes Level One is a holistic language teaching course book. Each of the ten units has four theme-based lessons preceded by Starting Point and followed by Finish Line. The unit has also two windows on reading and writing strategies. The activities resented throughout these constituents are geared to develop students' skills in reading, writing, speaking, listening and research. The activities equally enrich students' vocabulary stock, sharpen their critical thinking and raise their cultural awareness. Central Themes Level One is ideal for Secondary One students interacting in a classroom setting or preparing for their exams. Central themes Level One comprises Textbook with Practice Work, Interactive CD-ROM, Answer Key and Assessment Tests.
