The Complete Guide to Your Personal Finances Online Tamsen Butler, 2011 With the growth of the Internet the personal finance industry has boomed allowing individuals who previously had no control of their money to take the reins and start banking investing and controlling funds online without the need for pricey professional help In a recent report Fiserv estimates that 72.5 million households use online banking and the number of people paying their bills online has grown to 36.4 million households In fact 200 million people now do their banking on their mobile phones according to a Juniper Research report But for many people the complexities of finance are still too much Do not let these complexities leave you in the dark ages of using paper to keep track of your finances The Complete Guide to Your Personal Finances Online provides you with everything you need to know to start managing and investing your money online You will discover why people flock to the Internet to manage their personal finances and how you can start doing it today You will learn the basics of online banking including what you can do keep track of your checking and savings accounts pay your bills online and even apply for loans from the comfort of your own home You will grasp how to measure your own assets and how much money you can afford to spend A special section is devoted to deciphering the complex language of the financial sector so you know what you are dealing with Find out whether you are wired to be a passive or active investor and what rates of return you can expect In addition learn how to prepare your computer for use as a personal finance hub including the necessary safety and security precautions to keep your information safe the Web sites you should bookmark the tools you must install and countless tips to

help you keep track of the market top picks and your fellow investors You will learn about all of the various types of online accounts including taxable brokerage accounts retirement accounts 401 k and IRAs and education savings accounts You will find out how to determine what your tax burden will be in relation to your investments as well as how to seek out and select the right broker for your needs You will be walked through the process of finding the best financial opportunities and executing trades as well as your alternate choices in stock options and Forex trading We spent hundreds of hours interviewing the industry e tm s top investors and online finance professionals to give you inside knowledge to help you know that every financial decision you make is correct You will discover how to keep in touch with your fellow investors what mutual funds ETFs and various other financial options are at your disposal as well as how to start investigating in the companies you are looking to invest in Uncover the top prospects and develop investment ideas as well as the top ten mistakes you absolutely must avoid as an online investor With all of this information at your fingertips you will be able to finally put away that notepad and take your financing to the next level the world of online personal financing Atlantic Publishing is a small independent publishing company based in Ocala Florida Founded over twenty years ago in the company president e tm s garage Atlantic Publishing has grown to become a renowned resource for non fiction books Today over 450 titles are in print covering subjects such as small business healthy living management finance careers and real estate Atlantic Publishing prides itself on producing award winning high quality manuals that give readers up to date pertinent information real world examples and case studies with expert advice Every book has resources contact information and web sites of the products or companies discussed

Personal Finance for Dummies® Eric Tyson, 2009-12-16 If your personal financial knowledge is limited you re probably not at fault Personal Finance 101 isn t offered in our schools not in high school and not even in the best colleges and graduate programs It should be Of course if it were I wouldn t be able to write fun and useful books such as this or maybe they d use this book in the course People keep making the same common financial mistakes over and over procrastinating and lack of planning wasteful spending falling prey to financial salespeople and pitches failing to do sufficient research before making important financial decisions and so on This book can keep you from falling into the same traps and get you going on the best paths As unfair as it may seem numerous pitfalls await you when you seek help for your financial problems The world is filled with biased and bad financial advice As a practicing financial counselor and now as a writer I constantly see and hear about the consequences of poor advice Of course every profession has bad apples but too many of the people calling themselves financial planners have conflicts of interest and an inadequate competence level All too often financial advice ignores the big picture and focuses narrowly on investing Because money is not an end in itself but a part of your whole life this book helps connect your financial goals and challenges to the rest of your life You need a broad understanding of personal finance to include all areas of your financial life spending taxes saving and investing insurance and planning for major goals like education buying a home and retirement You want to know the best places to go for your

circumstances so this book contains specific tried and proven recommendations I also suggest where to turn next if you need more information and help
