2015 Aqa Grade Boundaries

Andrew Jones

2015 Aqa Grade Boundaries:

Teaching Sociology Successfully Andrew Jones, 2017-07-06 *Teaching Sociology Successfully* is a comprehensive guide to teaching learning and delivering sociology not only with success but with confidence. Carefully combining insightful anecdotes and practical ideas with key theoretical concepts on planning learning styles and assessment, this book is an essential tool for both new and experienced teachers of sociology. Each chapter focuses on a particular aspect of the teaching and learning process, from preparing to teach the subject for the first time to measuring student progress over time in an approachable yet rigorous way. This practical guide will help you to improve your knowledge of specifications and syllabuses at GCSE and AS/A Level, provide the best pedagogic approaches for teaching sociology, think about learning styles, skills and capacities in relation to teaching sociology, gain practical ideas and activities for improving students' argumentation, evaluation and essay writing skills, apply strategies for teaching abstract sociological theories and concepts, make the teaching of research methods engaging and interesting, deal with practical issues such as planning and assessing learning, encourage students' independent learning and revision, connect ICT, social networking websites and the mass media to further students' sociological knowledge, tackle the thorny issues of politics and controversial topics. Drawing on the author's own experiences, *Teaching Sociology Successfully* helps readers to identify, unpack and negotiate challenges common to those teaching sociology. Complete with a variety of pedagogical resources, it provides tasks and further reading to support CPD and reflective practice. This book will be an invaluable tool for students on PGCE social science training courses as well as School Direct candidates and undergraduates studying BEds in similar fields.

The Coalition Effect, 2010-2015 Anthony Seldon, Mike Finn, Ilias Thoms, 2015-03-26 The essential verdict on Britain's first coalition government since the Second World War, delivered by an unrivalled team of experts.

Becoming a Teacher: Issues in Secondary Education 6e Simon Gibbons, Melissa Glackin, Elizabeth Rushton, Emma Towers, Richard Brock, 2023-03-27 Essential reading for anyone learning to be a teacher. This book will continue to be a core text on our ITE programmes. Rachele Newman, Director of Initial Teacher Education, University of Southampton, UK. A comprehensive must-have for every new teacher entering the profession, a wide variety of short chapters packed full of key research-evidenced ideas brilliantly articulated by a team of expert authors. Fantastic! Mark Winterbottom, Professor of Education, University of Cambridge, UK. The beauty of the book is that the authors do not attempt to simplify teaching; instead, they celebrate and explore the complexities of being a teacher. Stefanie Sullivan, Deputy Head of School, Director of Initial Teacher Education, University of Nottingham, UK. This timely new edition remains the ultimate guide for students in the core areas of teaching, policy, assessment and curriculum planning, while also covering the relevant issues facing educators and students today. Grounded in contemporary research and empirical evidence, *Becoming a Teacher* provides a critical yet accessible exploration of the complexities involved in starting a career in secondary education. New chapters include topics such as wellbeing and mental health, social justice, decolonising the

curricula and how to develop teacher identity when starting a career Themes such as digital pedagogy now run through the core of the book reflecting the future of our education system The book Supports students with a blend of theory and practical solutions Integrates a wide range of issues contexts and perspectives Guides and encourages readers to reflect on their own learning and teaching Covers practical classroom implementations theoretical and empirical research social and cultural dimensions and much more Benefitting from the expertise of top academics in the education field while leaving room for the reader to engage with their own critical reflection this book is essential for PGCE and Education students to gain a thorough understanding of the many facets of education as well as their own role as a teacher Simon Gibbons is Senior Lecturer in English Education and Director of Teacher Education at King s College London UK He is a former chair of the National Association for the Teaching of English Richard Brock is a Lecturer in Science Education at King s College London UK He taught secondary physics for many years in greater London and has also taught English in Japan and worked in special education Melissa Glackin is Senior Lecturer in Science Education and the Director of the MA in STEM Education at King s College London UK Elizabeth Rushton is Head of Department of Curriculum Pedagogy and Assessment at the Institute of Education University College London UK She previously led the Geography PGCE at King s College London after having worked as a geography teacher and as Director of Evaluation for an education charity Emma Towers is a Teaching Fellow in Education Policy at King s College London UK Before moving into higher education she worked as a primary school teacher in London schools
