Kathleen Renk

2015 Calendar Victorian Erotica:

Women Writing the Neo-Victorian Novel Kathleen Renk, 2020-07-27 *Women Writing the Neo Victorian Novel Erotic Victorians* focuses on the work of British Irish and Commonwealth women writers such as A S Byatt Emma Donoghue Sarah Waters Helen Humphreys Margaret Atwood and Ahdaf Soueif among others and their attempts to re envision the erotic Kathleen Renk argues that women writers of the neo Victorian novel are far more philosophical in their approach to representing the erotic than male writers and draw more heavily on Victorian conventions that would proscribe the graphic depiction of sexual acts thus leaving more to the reader's imagination This book addresses the following questions Why are women writers drawn to the neo Victorian genre and what does this reveal about the state of contemporary feminism How do classical and contemporary forms of the erotic play into the ways in which women writers address the Victorian woman question How exactly is the erotic used to underscore women's creative potential *Chase's Calendar of Events 2017* Editors of Chase's, 2016-09-23 Since 1957 the definitive day by day resource of what the world is celebrating and commemorating with 12 500 entries and exhaustive appendices Chase's is the one stop shop for everything from national days to celebrity birthdays or moon phases to historical anniversaries and festivals An exclusive companion website makes searching a snap **How Sex Got Screwed Up: The Ghosts that Haunt Our Sexual Pleasure - Book Two** Jon Knowles, 2019-03-31 The ghosts that haunt our sexual pleasure were born in the Stone Age Sex and gender taboos were used by tribes to differentiate themselves from one another These taboos filtered into the lives of Bronze and Iron Age men and women who lived in city states and empires For the early Christians all sex play was turned into sin instilled with guilt and punished severely With the invention of sin came the construction of women as subordinate beings to men Despite the birth of romance in the late middle ages Renaissance churches held inquisitions to seek out and destroy sex sinners all of whom it saw as heretics The Age of Reason saw the demise of these inquisitions But it was doctors who would take over the roles of priests and ministers as sex became defined by discourses of crime degeneracy and sickness The middle of the 20th century saw these medical and religious teachings challenged for the first time as activists such as Alfred Kinsey and Margaret Sanger sought to carve out a place for sexual freedom in society However strong opposition to their beliefs and the growing exploitation of sex by the media at the close of the century would ultimately shape 21st century sexual ambivalence Book Two of this two part publication traces the history of sex from the Victorian Era to present day Interspersed with personal hauntings from his own life and the lives of friends and relatives Knowles reveals how historical discourses of sex continue to haunt us today This book is a page turner in simple and plain language about how sex got screwed up for millennia For Knowles if we know the history of sex we can get over it **Classics in Extremis** Edmund Richardson, 2019-01-01 *Classics in Extremis* reimagines classical reception Its contributors explore some of the most remarkable hard fought and unsettling claims ever made on the ancient world from the coal mines of England to the paradoxes of Borges from Victorian sexuality to

the trenches of the First World War from American public school classrooms to contemporary right wing politics How does the reception of the ancient world change under impossible strain Its protagonists are marginal figures who resisted that definition in the strongest terms Contributors argue for a decentered model of classical reception where the marginal shapes the central as much as vice versa and where the most unlikely appropriations of antiquity often have the greatest impact What kind of distortions does the model of centre and margins produce How can marginal receptions be recovered most effectively Bringing together some of the leading scholars in the field Classics in Extremis moves beyond individual case studies to develop fresh methodologies and perspectives on the study of classical reception

Charles Kingsley Jonathan Conlin, Jan Marten Ivo Klaver, 2020-12-28 Novelist poet Anglican priest and controversialist Charles Kingsley 1819 75 epitomizes the bustling Victorian man of faith and letters a prolific polymath as ready to break a lance with John Henry Newman over Christian doctrine as he was to preach to schoolchildren on the virtues of manly physical struggle Kingsley's *The Water Babies* and *Westward Ho* were best sellers which became classics of children's literature Kingsley has come to epitomize the Victorian age On closer inspection Kingsley is harder to categorize a socialist who was also an imperialist a Chartist revolutionary who was Queen Victoria's favourite novelist a natural theologian who popularized Darwin a priest who celebrated sex as sacrament Kingsley only appears straightforward if you consider him one piece at a time The debates he shaped remain with us today faith and sexuality economics and exploitation race and identity The aim of this book is to present the whole man to consider the public crusades for public health alongside the most private fantasies of sexual intercourse to consider the ardent imperialist alongside the Darwinist It will be of interest to all students of Victorian studies as well as of British Imperial history church history and especially the history of science
