Gideon's Promise Jonathan Rapping, 2020-08-18 A blueprint for criminal justice reform that lays the foundation for how model public defense programs should work to end mass incarceration Combining wisdom drawn from over a dozen years as a public defender and cutting edge research in the fields of organizational and cultural psychology Jonathan Rapping proposes a radical cultural shift to a fiercely client based ethos driven by values based recruitment training awakening defenders to their role in upholding an unjust status quo and a renewed pride in the essential role of moral lawyering in a democratic society Public defenders represent over 80% of those who interact with the court system a disproportionate number of whom are poor non white citizens who rely on them to navigate the law on their behalf More often than not even the most well meaning of those defenders are over worked under funded and incentivized to put the interests of judges and politicians above those of their clients in a culture that beats the passion out of talented driven advocates and has led to an embarrassingly low standard of justice for those who depend on the promises of *Gideon v Wainwright* However rather than arguing for a change in rules that govern the actions of lawyers judges and other advocates Rapping proposes a radical cultural shift to a fiercely client based ethos driven by values based recruitment and training awakening defenders to their role in upholding an unjust status quo and a renewed pride in the essential role of moral lawyering in a democratic society Through the story of founding *Gideon s Promise* and anecdotes of his time as a defender and teacher Rapping reanimates the possibility of public defenders serving as a radical bulwark against government oppression and a megaphone to amplify the voices of those they serve

On a Global Mission: The Automobiles of General Motors International Volume 3 Louis F. Fourie, 2016-12-29 Volume One traces the history of Opel and Vauxhall separately from inception through to the 1970s and thereafter collectively to 2015 Special attention is devoted to examining innovative engineering features and the role Opel has taken of providing global platforms for GM Each model is examined individually and supplemented by exhaustive supporting specification tables The fascinating history of Saab and Lotus begins with their humble beginnings and examines each model in detail and looks at why these unusual marques came

under the GM Banner Included is a penetrating review of Saab through to its unfortunate demise Volume Two examines unique models and variations of Chevrolet and Buick manufactured in the Southern Hemisphere and Asia but never offered in North America Daewoo Wuling and Baojun are other Asian brands covered in detail This volume concludes with recording the remarkable early success of Holden and its continued independence through to today Volume Three covers the smaller assembly operations around the world and the evolution of GM s export operations A brief history of Isuzu Subaru and Suzuki looks at the three minority interests GM held in Asia The GM North American model specifications are the most comprehensive to be found in a single book Global and regional sales statistics are included GM executives and management from around the globe are listed with the roles they held An index ensures that these volumes serve as the ideal reference source on GM
