Exporters Directory/U.S. Buying Guide ,1985 The Community Care Grant Great Britain: National Audit Office,2010-07-22 Under the 141 million Community Care Grant scheme vulnerable people can claim for money to pay for essential household items Whilst Jobcentre Plus employees prioritise each request received they cannot be sure that those who apply were in most need Inequities in the budgets set for district offices mean that some high priority claims have been refused because of the limited funds available locally In addition the large volume of claims that are never likely to receive funding have to be assessed under the same process thereby adding considerably to the administrative burden Decisions are essentially based on what has been stated on the application form which makes it difficult to identify if claims are overstated and there are no checks on how the money is spent Introducing a centralised contract to supply items directly could improve the control over the scheme and achieve economies of scale of at least 14 million a year Also greater standardisation of the amount awarded for items could save up to 7.5 million a year The Department does not wholly agree with these conclusions In the Department's view it is in the nature of a discretionary scheme that there will be variations in the way in which judgments will be exercised and to operate more rigidly would fail to meet the needs of those it is designed to assist The Department notes that it is required to operate the scheme within a legal framework and under tight constraints of turnaround time and resource availability *International Directory of Company Histories* Jay P. Electronics Buyers' Guide ,1949 *The Justified Tight B****rd's Guide to Life* P.J. Moore,2014-05-28 The Justified Tight B rd s Guide to Life is a book of down to earth no nonsense everyday financial advice written and presented with curmudgeonly black humour in the style of Victor Meldrew from One Foot in the Grave Taking a lateral and critically reflective look at some of our modern consumer and lifestyle choices it aims to provide all readers regardless of income with the key to modest financial wellbeing The book challenges the arguments of those who claim that we are on the brink of a financial abyss akin to the great 1930s depression P J suggests that for all our difficulties we all have enough money either from employment or social welfare to live at the very least in modest comfort P J examines some of our perceived financial woes from an holistic rather than a purely economic viewpoint and demonstrates how these problems may be dealt with by a simple shift in perspective The book also suggests that many purchases we make every day are not only unnecessary but actually counterproductive or damaging in some way therefore offering the reader a justified reason for not purchasing many of the items we often consider to be essential The Justified Tight B rd s Guide to Life is presented in four separate sections containing over 300 points Each point is a self contained money saving tip linked to the others in the section Dispensing with political correctness and urging a return to independent thinking the book challenges the population to take an honest rounded responsible and wholesome approach to the problems they encounter and how they resolve them The book will be of
