

Subsequently, the beginning of an abortion emerges from certain elements evolving from the consent to sex and avoidance of contraception. From the first point of view, such a fetus in the womb may be considered by the mothers as a new born in development, which hinders any act of abortion. Personally, many people are often objective to any abortive practices as a result of the intuitive feeling that the fetus is too is a human in development. Democracy and advocacy for idealistic society will often give preference to the bodily autonomy of a woman irrespective of whether such autonomy will harm the fetus.

Therefore, ethics and legal dimensions of abortion greatly revolve around the conflicting aspects of ethics that would force a woman to make intuitive decisions. If for instance, abortion were legalized in a state, the woman would have to carry the fetus till the due time to give birth to a healthy baby. However, such an act would hinder the freedom of the woman as well as the bodily autonomy involved. Robertson (2001) argues that such prevention is not ethical of the state authorities. Nonetheless, most legal documents about abortion point to a state whereby issues related to abortion dwell more on bodily privacy. Many countries like Chile consider abortion as unlawful while in Canada, the act is permitted.

Secondly, the process of in vitro also has a variety of moral issues as well legal dimensions as illustrated below. Robertson (2003) asserts that the use of the spouse's fertilization elements like the sperm or the ova is ethically acceptable since it fulfill the religious wish of procreation. However, when originating from another donor, such actions are considered to be unethical. Besides, the process of test tube fertilization often implies that eggs are fertilized in large numbers and only one successful one is chosen while the rest are discarded or frozen. If such combinations are discarded, Robertson refers to it as murder and utterly unethical. However, the challenges of what is to be done with such fertilized eggs may come up, especially when the couple
