

Against Death Penalty Essay

This sample essay on Against Death Penalty Essay provides important aspects of the issue and arguments for and against as well as the needed facts. Read on this essay's introduction, body paragraphs, and conclusion.

Abolishment of Capital Punishment Capital punishment should be abolished for the following reasons. 1) It violates the Eight Amendment of the use of cruel and unusual punishment, for which the Supreme Court has vacillated. 2) It is a form of premeditated murder. 3) It promotes racism. 4) It can be administered to innocent individuals through tainted evidence. 5) The death penalty does not deter criminals from committing violent crimes. The death penalty is a form of cruel and unusual punishment that violates citizen's Eighth Amendment which has forced the Supreme Court to step in and evaluate this form of punishment.

The death penalty has not always been practiced in the United States; however, there have been about 13,000 people who have been legally executed since colonial times. In 1972, the Supreme Court effectively nullified the death penalty. However, in 1976 another Supreme Court found capital punishment to be Constitutional (White 1). One must wonder why they made this decision. In 2007 the court put executions across the country on hold for eight months while it examined whether lethal injection, the most common means of executing prisoners, violated the Eight Amendment prohibition against cruel and unusual punishment (Lacayo).

How can they not see this form of punishment as cruel and unusual? Individuals are killed by electricity seeping through their bodies, or drugs that cause their organs to shut down one at a time. It's difficult to understand what the government perceives as cruel and unusual punishment. Maybe to them this would mean lining individuals up and killing them at point blank range. What could be crueler than strapping individuals to a chair and sending electricity through their bodies essentially cooking their insides, or putting a lethal dose of drugs into their body that causes organ failure.

The Death Penalty Essay Against

The method of taking another human's life is cruel no matter how it is achieved. This gives too much power to individuals in society. The death penalty is a form of premeditated murder. According to dictionary. com, murder is the killing or slaughter of an individual inhumanely or barbarously. What gives the state or normal everyday citizens the right to determine whether or not an individual lives or dies? This is essentially doing what the criminal did and justifying it by hiding behind the law. Murder is murder whether it is committed by the drug dealer on the street or by the executioner who administers the lethal dose of medication into the inmate's veins. Some individuals feel that the death penalty gives way to racism and class oppression. African Americans and Latinos represent the majority of inmates on death row. Because of this, ex

Pojman,Jeffrey Reiman,2000-01-01 Two distinguished social and political philosophers take opposing positions in this highly engaging work Louis P Pojman justifies the practice of execution by appealing to the principle of retribution we deserve to be rewarded and punished according to the virtue or viciousness of our actions He asserts that the death penalty does deter some potential murderers and that we risk the lives of innocent people who might otherwise live if we refuse to execute those deserving that punishment Jeffrey Reiman argues that although the death penalty is a just punishment for murder we are not morally obliged to execute murderers Since we lack conclusive evidence that executing murderers is an effective deterrent and because we can foster the advance of civilization by demonstrating our intolerance for cruelty in our unwillingness to kill those who kill others Reiman concludes that it is good in principle to avoid the death penalty and bad in practice to impose it English Essay Writing Handbook Emmanuel Tatah Mentan,2019-01-23 There is no available information at this time Author will provide once available
