Arguments For The Beard English Edition:

Of Beards and Men Christopher Oldstone-Moore, 2015-12-02 Beards they re all the rage these days Take a look around from hip urbanites to rustic outdoorsmen well groomed metrosexuals to post season hockey players facial hair is everywhere The New York Times traces this hairy trend to Big Apple hipsters circa 2005 and reports that today some New Yorkers pay thousands of dollars for facial hair transplants to disguise patchy juvenile beards And in 2014 blogger Nicki Daniels excoriated bearded hipsters for turning a symbol of manliness and power into a flimsy fashion statement The beard she said has turned into the padded bra of masculinity Of Beards and Men makes the case that today s bearded renaissance is part of a centuries long cycle in which facial hairstyles have varied in response to changing ideals of masculinity Christopher Oldstone Moore explains that the clean shaven face has been the default style throughout Western history see Alexander the Great s beardless face for example as the Greek heroic ideal But the primacy of razors has been challenged over the years by four great bearded movements beginning with Hadrian in the second century and stretching to today s bristled resurgence The clean shaven face today Oldstone Moore says has come to signify a virtuous and sociable man whereas the beard marks someone as self reliant and unconventional History then has established specific meanings for facial hair which both inspire and constrain a man s choices in how he presents himself to the world This fascinating and erudite history of facial hair cracks the masculine hair code shedding light on the choices men make as they shape the hair on their faces Oldstone Moore adeptly lays to rest common misperceptions about beards and vividly illustrates the connection between grooming identity culture and masculinity To a surprising degree we find the history of men is written on their faces

Reports of Cases Argued and Determined in the English Courts of Common Law Great Britain. Courts, 1870 **Beards, Azymes, and Purgatory** A. Edward Siecienski, 2023 In *Beards Azymes and Purgatory* A Edward Siecienski argues that seemingly minor issues the beardlessness of the Latin clergy the Western use of unleavened bread in the Eucharist and the doctrine of Purgatory played a significant role in the schism between the Catholic and Orthodox churches **On the Authorized Version of the New Testament** Richard Chenevix Trench, 2022-09-17 Reprint of the original first published in 1859
