Asian American History Day by Day Jonathan H. X. Lee, 2018-10-12 For student research this reference highlights the importance of Asian Americans in U S history the impact of specific individuals and this ethnic group as a whole across time documenting evolving policies issues and feelings concerning this particular American population Asian American History Day by Day A Reference Guide to Events provides a uniquely interesting way to learn about events in Asian American history that span several hundred years and the contributions of Asian Americans to U S culture in that time The book is organized in the form of a calendar with each day of the year corresponding with an entry about an important event person or innovation that span several hundred years of Asian American history and references to books and websites that can provide more information about that event Readers will also have access to primary source document excerpts that accompany the daily entries and serve as additional resources that help bring history to life With this guide in hand teachers will be able to more easily incorporate Asian American history into their classes and students will find the book an easy to use guide to the Asian American past and an ideal jumping off point for more targeted research International Herald Tribune Guide to Business Travel in Asia Robert Karr McCabe, 1988 *Theorizing Colonial Cinema* Nayoung Aimee Kwon, Takushi Odagiri, Moonim Baek, 2022-02 *Theorizing Colonial Cinema* is a millennial retrospective on the entangled intimacy between film and colonialism from film s global inception to contemporary legacies in and of Asia The volume engages new perspectives by asking how prior discussions on film form theory history and ideology may be challenged by centering the colonial question rather than relegating it to the periphery To that end contributors begin by excavating little known archives and perspectives from the colonies as a departure from a prevailing focus on Europe s imperial histories and archives about the colonies The collection pinpoints various forms of devaluation and misrecognition both in and beyond the region that continue to relegate local voices to the margins This pathbreaking study on global film history advances prior scholarship by bringing together an array of established and new interdisciplinary voices from film studies Asian studies and postcolonial studies to consider how the present is continually haunted by the colonial past Winner of the SCMS Best Edited Collection Award **Aiden London City Map for Travelers** aiden map, Jacky LEE, Google Maps gives you simple directions while Aiden's London travel maps have enough content to help you plan your trip If you're planning a trip to London the city has launched a travel map to help you plan your trip It's not just a road map but a new concept a map filled with information on where to go where to eat and thousands of other things Advantages of the Aiden London travel map Highly detailed city maps London landmarks attractions places to eat and activities in great detail High quality map files 2000 travel spots and descriptions with high quality map files Zoom in to see more A1 sized paper maps transferred to ebooks Zoom in for a closer look on your Kindle Detailed description Restaurant recommendations travel what to see details Thousands of hours of research We travelled researched and gathered input from many people Thousands of hours of research went into the maps
