Arizona State History:

A History of the Southwest Thomas E. Sheridan, 1998 Something about the Southwest draws people who are independent From the Apaches who migrated south six hundred years ago to the Spanish exploring north Mexico not much later to the Anglo American who ventured west these were people who wanted to live as one Comanche leader said where the wind blows free and there is nothing to break the light of the sun A History of the Southwest explores these people their clashes with each other with the environment and finally with the forces of an increasingly complex economy Thomas Sheridan takes the behavior of individuals Geronimo Wyatt Earp Theodore Roosevelt and local cultural groups Pueblo Indians southern European miners ranchers and shows how it was acted out on the larger stage of the environment economics and politics

A Guide to State Programs National Trust for Historic Preservation in the United States, 1972 **Arizona's Historic Bridges** Jerry A. Cannon, Patricia D. Morris, 2015-08-03 Arizona was once just a passage for pioneers headed west for gold religious freedom and cheap land Native Americans had lived in and explored the territory for years but it was Manifest Destiny and the western expansionist philosophy of the burgeoning US government that created the impetus for better and faster routes across the vast territory with its topographical challenges In the 1880s the railroads first booted their way across the landscape following historic trails before the highways were built The Grand Canyon and Colorado River were obvious challenges but there were also seasonal waterways that needed crossings The history of the state unfolds with this book profiling the bridges that define these historic transportation routes Many of them have been proudly restored by their communities or the state while others are gone or are in a sad state of decline **Arizona Then & Now**, 2002 When paired with the historic images of 19th and 20th century photographers Arizona photographer Allen Dutton's modern day images reveal the changes that have shaped the state's landscape during the past 100 plus years To illustrate these sometimes drastic sometimes subtle differences Allen searched the state to locate the precise spots from which to rephotograph the scenes captured by his predecessors endeavoring to achieve the same angles perspectives and lighting as in the early photographs **A Legal History of Maricopa County** Stan Watts, 2007 The roots of Maricopa County's legal community reach as far back as the Spanish conquest of the New World Since that time soldiers farmers miners adventurers and others transformed this wild lawless desert into a productive agricultural community a tourist destination and a center for commercial financial and political activity in the Southwest The region's legal community populated by diverse distinguished and sometimes infamous men and women participated in every aspect of this development of Phoenix and the surrounding metropolitan area The history of Maricopa County law illustrated here in vintage photographs reflects the social political economic environmental architectural and cultural journey of what has become one of America's fastest growing and most populous counties **The Historical Archaeology of Dam Construction Camps in Central Arizona: Synthesis**, 1994
