**Guns and College Homicide** Stephen K. Boss, 2019-01-28 At a time when mass shootings in schools and other public spaces have become commonplace it might seem surprising that American college campuses are not magnets for murderers but sanctuaries from them Because of remarkably effective gun safe policies deaths by firearms on college campuses are 1 000 times less frequent than in the U S public at large Drawing on crime data submitted in compliance with the Clery Act and public reports of those crimes this study inventories every documented homicide at a U S college or university between 2001 and 2016 making a compelling argument for using gun safe campuses as guides for broader public safety **United States**

**First Amendment Studies in Arkansas** Stephen Smith, 2016-10-01 This collection of fourteen essays written by young communication scholars at the University of Arkansas presents unique insights into how First Amendment issues have played out in the state Rather than exploring the particular legal issues and the constitutional principles enunciated by the courts First Amendment Studies tells the stories of actual people expressing challenged or unpopular points of view and reveals the ways that constitutional controversies arise from the actions of local officials and individual citizens Drawing on public documents as well as extensive interviews with participants these essays demonstrate the dynamics of democratic dissent on college campuses in public schools in churches on the streets in the forests and on the farms and in legislative chambers and courtrooms Each essay was selected for the Richard S Arnold Prize in First Amendment Studies an endowed fund established in 1999 to encourage University of Arkansas graduate students in communication and the liberal arts to explore and examine questions about freedom of speech and freedom of religion *Typographical Journal* , 1942 **The United States Army and Navy Journal and Gazette of the Regular and Volunteer Forces** , 1890 **The New Yorker** Horace Greeley, Park Benjamin, 1836 **Fire and Water** , 1898 The Central Law Journal , 1885 Vols 65 96 include Central law journal s international law list
