engagement Raina's father Major Paul Petkoff discovers the portrait in the pocket of his housecoat but Raina and Bluntschli trick him by removing the photograph before he finds it again in an attempt to convince him that his mind is playing tricks on him but Petkoff is determined to learn the truth and claims that the chocolate cream soldier is Sergius After Bluntschli reveals the whole story to Major Petkoff Sergius proposes marriage to Louka Nicola quietly and gallantly lets Sergius have her and Bluntschli recognising Nicola's dedication and ability determines to offer him a job as a hotel manager While Raina is now single Bluntschli protests that being 34 years of age he is too old for her believing her to be 17 upon learning that she is in fact 23 he immediately proposes marriage and proves his wealth and position by listing his inheritance from the telegram Raina having realized the hollowness of her romantic ideals protests that she would prefer her poor chocolate cream soldier to this wealthy businessman Bluntschli says that he is still the same person and the play ends with Raina proclaiming her love for him and Bluntschli with Swiss precision both clearing up the major's troop movement problems and informing everyone that he will return to be married to Raina exactly two weeks from Tuesday
